SERVE TO
CHANGE LIVES

Presidential Message

As we focus on membership in Rotary this month, I ask you to help make history this year. For more than 20 years, our membership has stood at 1.2 million. Rotary is a vibrant organization with a 116-year history, members in more than 220 countries and geographic

areas, and a rich legacy of work in polio eradication and other humanitarian programs. Rotary has changed so much in our own lives and the lives of others. As we Serve to Change Lives, don't you think Rotary could have an even greater impact on the world if more people were practicing Service Above Self?

My vision is to increase Rotary membership to 1.3 million by July 2022, and the call to action is simple: Each One, Bring One. This year, I want every Rotarian and Rotaractor to introduce a new person into their club.

We are a membership organization, and members are our greatest asset. You are the ones who contribute so generously to The Rotary Foundation. You are the ones who dream big to bring good into the world through meaningful projects. And of course, you are the ones who have put the world on the brink of eradicating polio.

As we make membership a priority this year, let us focus on diversity by reaching out to younger people and especially to women. Every club should celebrate its new members, and every Rotarian who sponsors a member will be personally recognized by me. And those who are successful in bringing in 25 or more members will be part of our new Membership Society. Even as we share the gift of Rotary with others, let us be sure to engage these new members, because an engaged Rotarian is an asset forever. And remember that engaging our current members and keeping them in our clubs is just as important as bringing in newcomers. Let us also be ready to form new clubs, especially flexible ones. I am very bullish on clubs that hold virtual or hybrid meetings, and satellite clubs and cause-based clubs can also be very effective ways of growing Rotary.

As you grow more, you will be able to do more. Let us keep empowering girls through our work in each of the areas of focus. Scholarships for girls, toilets in schools, health and hygiene education — there is so much we can do. Projects focused on the environment are also attracting interest the world over. Do participate in these projects locally and internationally to make this world a better place for us and for all species.

Each of you is a Rotary brand ambassador, and all of the wonderful work done by Rotarians around the world needs to be shared outside the Rotary community. Use social media to tell your friends, colleagues, and relatives the stories of Service Above Self.

Finally, I'm challenging every club, during the coming year, to plan at least one Rotary Day of Service that will bring together volunteers from inside and outside Rotary and will celebrate and showcase the work of your club in your community. Visit rotary.org to find out more about all of these initiatives, along with other ways to Serve to Change Lives.

Letter from the Governor

We have completed one month of this Rotary Year and I would guess all of you have been busy in your Club's Installation and now getting ready for your respective Club events ahead. August is the month we lay our foundation and that is a strong Membership. Members are the

foundation for our District and we tend to grow by the day making a perfect balance of Quantity and Quality.

It gives me great pleasure to share with you that we have already chartered two new Clubs viz. Rotary Club of Kavre and Rotary Club of Janakpur and on behalf of the entire District 3292, I would like to extend our warm welcome to its Members to the Rotary family.

Our Leader RI President Shekher Mehta inspires us to "Do More and Grow More". We can "Do More" bigger and impactful Service Projects only when we "Grow More" which means increasing our Membership and reaching out to the Community.

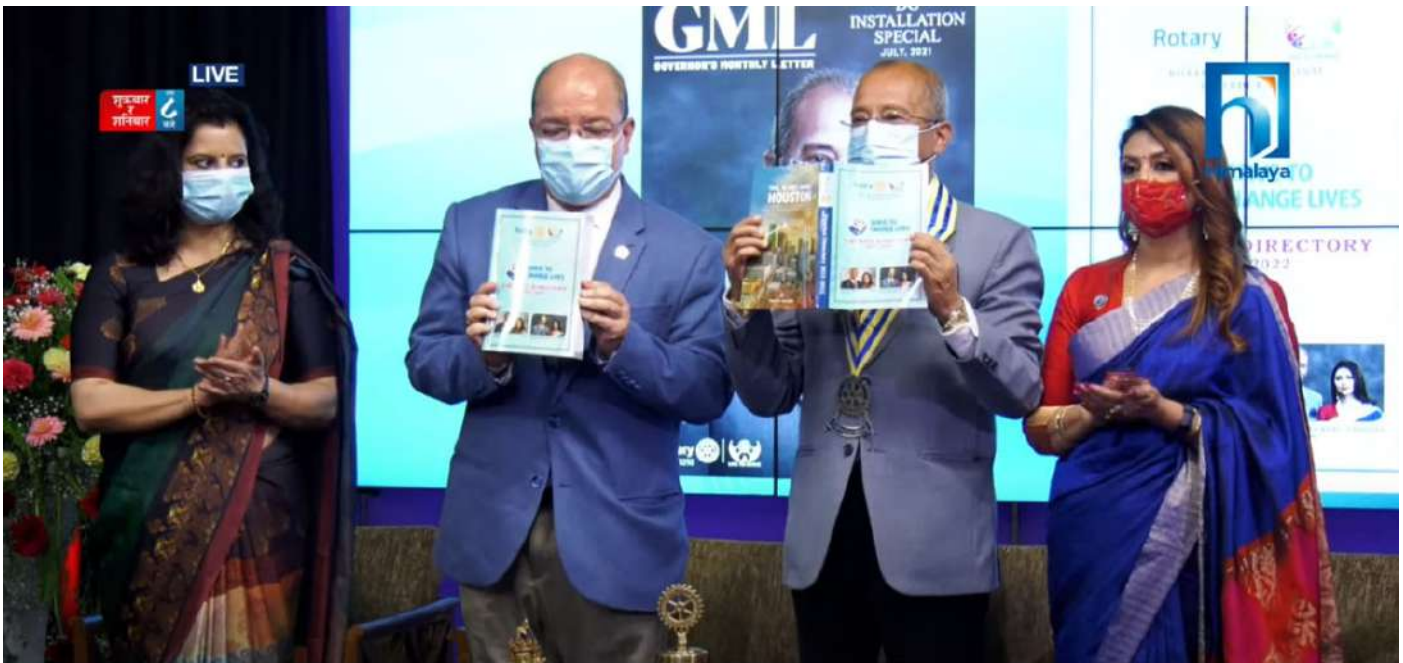

With the theme of "Each One Bring One", I invite you to continue to increase our Membership and thus strengthening our Clubs. We need to enrich not just Rotarians, but also develop and mentor Members of our Youth Arms- Rotaract, Interact and Early Act and special attention to women Members. In doing so, we would be grooming reputable and effective leaders for tomorrow's challenging world.

Every Club should make their new Members feel welcomed. Rotarian who sponsors a Member will be personally recognized by the RI President himself. There are also various levels of award and recognition for individuals and Clubs who bring in new Members. There is also a special recognition for retention. Growth and retention of Members is also essential for Presidential Citation.

This year we have taken up a target of increasing 1000 new Members particularly our Ladies Membership by 20%-25%. I urge you to use the Rotary online tools to support Membership growth and retention.

Although the Pandemic has restricted our movement but it has equally given me the opportunity to visit and take part in various Club's activities and has constantly reminded me, how awesome our District is. We need to tell our story and how better way to tell our story then to show case our selfless works in GML, social media and release it as News in various portals. This story telling not only show case the great humanitarian work that we do, but will also motivate potential members to join us in this noble journey and Serve to Change Lives!

District Governor's Installation, RY 2021-22

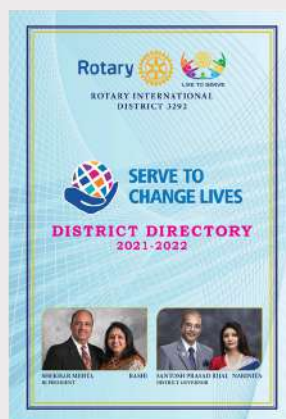

रोटरी इन्टरनेशनल डिस्ट्रिक्ट ३२९२ नेपाल-भुटान अन्तर्गत २०२१-२२ का लागि डिस्ट्रिक्ट गभर्नर पदस्थापन कार्यक्रम

The month of July marks the celebration of the achievements of the previous year through thanks-giving ceremonies as well as the unique culture of the transfer of leadership in the Rotary fraternity. The transfer of leadership also known as the DG installation in Rotary international District 3292 this year held in a simple affair but with the high spirits the Rotarians are always known for. Keeping the challenges posed by the Covid-19 in mind, the Governor's installation in Rotary International District 3292 was held with minimal physical participation but with great enthusiasm and was Aired LIVE from Himalaya TV HD and in Zoom. ARC, PDG Sanjay Giri, welcomed the invitees and guests who graced the event both physically and virtually. R.I Director A.S. Venkatesh graced the event as a chief guest. IPDG Pokhrel shared how R.I.D 3292 has marked a niche for itself even in these challenging times by increasing the membership and contributions made to "The Rotary Foundation".

Upon the transfer of the leadership, newly installed DG Rtn. Santosh Rijal thanked the invitees and guests for their congratulation messages. DG Rtn. Santosh Rijal further shared that he is happy to accept this responsibility and wants to work in tandem with the Rotarians across the country in reaching out to the people in need and renewing our vows and assembling yet again to 'Live to serve and Serve to Change Lives'. Rtn.Sushil Rijal shared DG Santosh's leadership journey in different positions and also highlighted the contribution made by the family in Rotary. TRF Chair Rtn.M.K. Jha highlighted the major contributions made by the prominent Rotarians to the global effort of "The Rotary Foundation". Chief Guest, Rotary International Director Rtn. A.S. Venkatesh highlighted the key nuances of the Rotary International year theme 2021/21 "Serve to change lives". He congratulated IPDG

Rtn.Rajib Pokhrel on the successful tenure and extended his best wishes to DG Santosh and First Lady Nabinita for Rotary International Year 2021/22. He also shared his expectations from RID 3292 highlighting the key priorities such as literacy, water and sanitation, and the protection of women from gender based violence. DGE Rtn. Jitendra Rajbhandari and DGN Rtn. Rajendra Dhoju, congratulated IPDG Rtn.Rajib and also shared his best wishes to the incoming DG Rtn.Santosh Rijal. Lastly, District Secretary (2021/22), Rtn.Prabhat Yonjan delivered the vote of thanks to the invitees, guests, families and the Rotarians, Rotaractors, Interactors for their presence both physically and remotely. The program ended with the toast proposal by IPDG Rajib proposing a toast for the good health of the President of Nepal Rt.honourable Bidhya Devi Bhandari and the people of Nepal. DG Santosh Rijal proposed a toast for the good health of the Rotary International President Shekhar Mehta and Madam Rashi Mehta.

Q&A with District Membership Committee Chair Sushil Prasad Rijal

What is your role as Chair of the District Membership Committee?

Basically, my role as District Membership Chair is to Support & Motivate Clubs through training and discussion on recruitment, orientation and retention of Rotary Members. I will also have to achieve the targets set by RI President and District 3292 Governor with regard to Membership. This will also mean that I will have to be in touch with the Regional Coordinator (RC) and the Assistant Regional Coordinator (ARC) appointed by the RI President.

We also offer clubs zone/regional/club-based Membership Development seminars to helping clubs' achieve the President's membership goal for the year. We are also available to visit clubs when required and assist with new member induction and orientation.

Another important role as DMC is to follow up with New Member Candidate referred by Rotary International and coordinate with the Public Relations/Public image committee to increase Rotary Visibility.

RI President Shekhar Mehta has really focused on Membership with the slogan "Each One Bring One". What strategy are you planning to implement to convert this slogan into action? And what is the target set by District 3292 in RY 2021-22?

Yes, it is a very big challenge set by RI President. We have many Memberships orientation and motivational programs in the pipeline for 2021-22. We have completed PETs, DTA and many other virtual meetings where this message has been stressed.

We have a District Membership Team (DMT) in place, which includes Membership Chairs of seven regions and their members and subcommittee chairs i.e. New Club Development, New Member Orientation, Membership Retention, Women in Rotary, and Alumni who will work on converting this goal into reality. It's a pleasure to let you know that we have already conducted two meetings to prepare a strategy.

Further to this, the RI President has announced various awards for membership growth & Club growth with specially designed pins/certificates/virtual gallery which you have published in this edition. With this encouragement, The District Governor has set targets of a minimum of 1,000 new Members and formation of at least 20 new clubs.

Ladies Membership has always been a challenge in our District. How do you plan to implement the ladies' membership drive?

DMC Our Women membership stands about 17% presently. We have to stress more on increasing women Memberships. The 'Women in Rotary' team has been working on increasing the members by bringing in more women only clubs and encourage clubs to induct more women members. We are working as a team with them as mentioned earlier. We have streamlined many programs during the year which will target non-Rotarians also.

What is your take on Quantity Vs Quality Members?

Yes, definitely we need quality members who understand what Rotary is all about. Once they are motivated, they tend to stay in Rotary. For this, membership orientation and above all membership engagement will have to be stressed to the clubs.

Sushil Prasad Rijal
District Membership
Committee Chair

Membership Retention will be given high priority.

August is the Membership and club development month. Why has Rotary dedicated this month for membership and how should Rotary Clubs celebrate this Rotary Month?

Clubs are busy changing leadership and having their installations during July. Once they have settled down, the August is focused on membership early during the Rotary year so that they get to experience the Rotary practices during the coming months dedicated to other areas.

We will be having Region wise Membership Seminars during the month. I will be visiting clubs to speak on Membership Best Practices. If clubs want me to visit, please let me know.

I would like to request clubs through this GML to all clubs to have at least one talk program on Membership best Practices by calling a Rotarian guest speaker. Please also change your Facebook/twitter profile to the 'I am a Proud Rotarian/Rotractor/Interactor' graphic to be kept throughout August.

We have a great Rotaract strength in our District. However, the conversion of Rotaract to Rotary has always been a challenge. How can we motivate Rotaract and youth in general in joining Rotary?

We have seen a lot of Rotractors enter into Rotary during 2019-20 and 2020-21, thanks to the dual membership allowed by Rotary International. It gives me great pleasure to convey you that the district has waived the District Dues for three years. Many clubs are giving discounts to Rotractors who join their club in their Membership dues. We will encourage more clubs to do the same.

How can a member benefit from the vast network of Rotary members?

Paul Harris along with his friends created Rotary to take benefit from each other's business and profession. You will meet many people in Rotary from various walks of life and professions in more than 35,000 clubs around the world. You can visit any club and build friendships and any assistance you may require whether personally, professionally or for any service project your club is doing.

Please give us 3 key reasons why one should join Rotary?

If you ask me personally, I joined because someone asked to join. I met many friends who now are my best friends. I developed as a person through the various programs offered by Rotary. I learned to give to the foundation for various charitable projects and the satisfaction of Service to the Community.

So, my three reasons to join is FRIENDSHIP & FELLOWSHIP, PERSONAL DEVELOPMENT & SERVICE.

Club Activities

FLOOD RELIEF PROGRAM, HELAMBU SINDHUPALCHOWK

Rotary Club of Greenland Kathmandu Raised NPR 50K and other items to support the residents of Helambu, Sindhupalchowk that were most hit by recent flood that hit Melamchi area. 50 families were supported with essential staple supplies comprising of 25Kg rice, 2Kg pulse, 1Kg Salt, 2 ltrs cooking oil, turmeric, powder species, medical supplies, temporary shelter equipment like tarpaulin sheet and sanitizers, and sanitary pads on June 19, 2021.

TREE PLANTATION PROGRAM - KATHMANDU

Rotary Club of Rajdhani along with the Rotaract Club of Rajdhani organized a tree plantation program on the very first day of Rotary Year i.e. July 1, 2021, in Sanepa Road outside Summit Hotel lane. Similarly, on July 17, 2021, the family of RC Rajdhani including Rotaracts, RCC, and Innerwheel organized a plantation of various kinds of fruit trees like avocado, orange, and lemon on the premises of Ashadeep at Nayapati, Sundarijal. PDG Yogendra Man Pradhan graced the occasion as the chief guest along with AG Sharad Neupane and inspired the club members in doing good in society.

RELIEF MATERIALS DISTRIBUTION HELAMBU

The devastating landslides and flood that struck the Sindhupalchowk district 30KM east of Kathmandu have caused an inconceivable loss of lives and properties, as an immediate response Rotary Club of Kantipur and Innerwheel Club of Kantipur worked together by preparing an indicative list of priority items: Blankets, cooking utensils dekchi, karai, dadu & paneu, steel plates, bucket, mug, potable water filter, corrugated metal sheets, personal hygiene packet consisting of soap, tooth brush/paste, sanitary pads, detergent powder. The relief materials left Kathmandu on 6th July and due to road conditions and heavy rain, the vehicle managed to reach the distribution site only after 32 hours. However One hundred (100) families in Shera Village Chanaute, Helambu Rural Municipality- 11 received the relief materials on 8th July 2021. Rotary Club of Kantipur and Innerwheel Club of Kantipur managed to raise the required fund within a week and a total relief amounted to NPR 655,000.

CORONAVIRUS-COVID-19 RELIEF FUND

Rotary Club of Dhulikhel supported 20 Covid-19 Lactating Mother Kits & 15 Covid-19 Disable Food Packages at Bhumlu Rural Municipality Ward no-9 . Because of the covid-19 lockdown and less agricultural land people are struggling for livelihood. The problem is worst to the lactating mother and disabled people. This area is hilly and almost impossible to reach by vehicles during the rainy season. Please have to walk around 1-2 hours to come to market.

Club Activities

RELIEF MATERIALS TO FLOOD VICTIMS

Rotarians from the Rotary Club of Bharatpur distributed relief materials to the flood victims from Siddhi Village, Ward No. 10 & 11 of Kalika Municipality of Chitwan on 07th July 2021.

These villagers lost most of their belongings during that massive flood and landslide, even devour the utensils to cook food. RC Bharatpur distributed cooking utensils and food materials to 49 families of the affected area. Club President Rtn. Rajendra Kumar Piya leads the group for the distribution of relief materials which was contributed by most of the Rotarians from the Club.

FRUITS SAPLING DISTRIBUTION & TREE PLANTATION PROGRAM

On dated 12th July 2021, RC Hetauda distributed 500 saplings of fruits at various places of Hetauda. 1000 Tree plantation were also carried out at Haandikhola, Manahari Gaunpalika-3. Both programs were carried out with the help of Bagmati Province Government .

The program witnessed the huge participation of 60 plus volunteers including the provincial head of the forestry department of Nepal Mr. Rabintra Maharjan, the Mayor of Dharan City Mr. Tilak Rai, 30 plus rotary club members, 11 Rotaract members, 9 interactors as well as the general public. A total of 555 trees were planted during the event. The event was also captured by the local newspaper.

Club Activities

FREE FEVER CLINIC AT LALITPUR COMMUNITY HEART CARE CENTER.

On June 23rd 2021, Rotary Club of Himalayan Patan collaborated with Lalitpur Heart Care Center, Manidow ward no 11, Lalitpur to initiate a free fever clinic for the local and the communities around. Main objective of the fever clinic is to facilitate detection and diagnosis of Covid 19 virus together with free covid consultation. With the alarming increase of covid cases, as people are reluctant to visit hospitals and health care centers, free antigen tests and free RT-PCR tests was also initiated to needy people.

This project was initiated to address the increasing number of covid delta variants seen in Nepal and is expected to be operated for next 3 months, although it may vary as per necessity. RCHP contributed 2 lakhs for the preliminary phase to start the project. Along with this, PPE and other medical equipment like oximeters and BP sets were also donated. Son of Light, Arniko Society and Footprints are our supporting partners. According to the data collected, two weeks after this project started, there were around 50 antigen tests done.

HEALTHCARE EQUIPMENT HANDOVER

On 24th of July, 2021 Rotary Club of Jawalakhel handed over USD and ECG in Huwas Healthpost of Paiyun Rural Municipality, Parbat District. The program was preceded by yet another tree plantation ceremony in the same community. This project done under Global Grant No 2010836.

FOOD DISTRIBUTION PROGRAM

Rotaract Club of Dharan on 1st June 2021, in the leadership of their new president Rtr. Rebika Shrestha had organized a food distribution program with the motive of serving homeless and disabled people in their opening ceremony. For the supervision and guidance of this program, the president of Rotary Club of Dharan, Rtn Rupak Shakya along with Past president Rtn Surendra Man Sthapit had shown their active support with their physical presence in the program. Hence commencing a successful tenure with a positive and selfless move.

CATHLAB INSTALLTION

Seven Rotary Clubs (Six Pokhara Club and RC Patan West) with lead club of RC Pokhara is installing a CATHLAB at Western Regional Hospital (WRH) under Pokhara Academy of Health & Science (PAHS) Pokhara. This 55 million worth project under Global Grant GG No. 1989318 will provide timely, easy accessible and affordable Cardiac care facility to 1.1 million population of Dandaki Province. The service can also be availed free of cost by poor and needy upon recommendation of Rotary Club.

Club Activities

TREE PLANTATION - SURUNGA

RC Surunga on July 10, 2021, planted 200 different species trees in the area of Jamunbari community forest in Kankai Municipality 2 marking it as the beginning of the New Rotary Year and support to the Environment. A total of 35 members participated in the program.

COVID 19 RELIEF PROGRAMS

The Covid 19 Relief programs of Rotary Club of Kathmandu Mid-town in its Rota year upto 30 June 2021, has donated medical equipments consisting of 21 oxygen concentrators, 123 oxygen cylinders, 250 PPEs, 2 Bipaps, 25 Flow meters, 2100 Antigen Kits worth Rs. 10 Million to various Hospitals throughout the country.

Under Food for Hunger it provided Rs. 18 lakhs worth of provisions and food items to over 21,000 persons in partnership with PA Nepal Indra Rana Magar, Bheri Hospital, Action for Nepal, Bright Star, A Rana & Child programs.

GREEN VALLEY GREEN NEPAL INAUGURATION CEREMONY

Five Clubs RC Tripureswor, RC Rajdhani, RC Bagmati Kathmandu, RC Durbarmarg and RC Kantipur Kathmandu has collaborated and initiated the campaign – Green Valley and Green Nepal. Efforts have been made to encompass as many clubs under the banner and work towards plantation of trees and spreading the awareness of Environment. This campaign has been inspired by the RI President Shekhar Mehta during his last visit to Kathmandu and during the Joint Meeting hosted by RC Tripureswor and RC Rajdhani on February 21, 2021.

Editorial Note

Dear Fellow Rotarian,
It gives me great pleasure to bring to you the August Issue of Governor's Monthly Letter (GML). August is the Membership and club development month and we hope to celebrate this month by laying a strong foundation. Foundation of a strong membership base and a resilient Rotary Club who can "do more and grow more".

RI President Shekhar Mehta has envisaged increasing Rotary membership to 1.3 million by July 2022, with a motivating mantra- "Each One, Bring One" and there is various recognition on individual and Club level to achieving clubs. We have tried to encourage members by highlighting the various recognition scheme in this issue. A special interview of District Membership Committee Chair, Sushil Prasad Rijal also highlights the various strategies and inspiration to increase Members base and participation. Connection and networking among members is another important aspect in Rotary and we have a perfect tool that will connect each one of us readily in our tip of the finger- Roster On Wheels (ROW). This is a wonderful tool that we have and we would like all our members to download the app in your mobile phone and connect each other and have Rotary information in the tip of your finger.

As inspired by our leader to involve and enhance participation among Rotary, Rotaract, and Interacts we also have a special space to see, learn and exchange the great works done by our youth friends.

GML is a great space to tell our story- the story of our selfless deed that will satisfy us when we reflect on it and inspire others to do Good! Hence, I request all clubs to kindly send us a brief of your service project story along with a photo.

Finally, we would like to request you to contact your respective Regional Chairs to send us the report in prescribed format and not in viber, whatsapp and other social media platforms as we are swamped with other information in such platform and great humanitarian works done by clubs might be missed. We are all here to showcase your project! Cheers to Rotary!

Nischal B. Shrestha
Chair, District Publication & GML Sub-Committee (2021-22)
