# Letter from the Governor

Dear fellow Rotarians,

Time really flies, especially when you are having a great time and your team is performing exceptionally well! It seems just yesterday that I got to serve as your District Governor, and now it's time to pass the baton.

The pandemic paused our movement and challenged us on all fronts in our mission to 'serve to change lives'. However, as a true Rotarian we proved to perform things differently to meet with the task ahead in serving humanity with their most critical needs. For, the very first time in the history of our District our DG Installation was carried out LIVE from Himalayan TVHD and not only did we reach every Rotarian's home but the whole country and beyond. Our prime time was reported to have the highest TRP during that time.

Nabinita and I do not know where to begin in thanking each and every one of you for the honor of serving as your District Governor and First Lady. It has truly been an amazing year. We have done so much and more and this could not have been possible without you all, so thank you my Rotary family. On the very note I would also like to thank our many friends of Rotary, our Partners in service, Government and Aid Agencies and Donors alike. Thank you again.

The District has achieved great heights because of the contribution of each and every Club and its members and I cannot thank you enough for your contribution to Rotary.

I would also like to thank Nischal and his team of Publication and GML Subcommittee for coming up with all the publications right on time, starting from the release of the District Directory and GML's first issue on July 1st 2021 itself and subsequently issuing all the GML's on time. I would also like to thank Rotaractor Dipesh Acharya for his contribution in designing the layout of the GML.

I am overwhelmed with emotion as this Rotary year is coming to a close. As I pass on this baton to DGE. Jitendra Bahadur Rajbhandari, Nabinita and I congratulate him and Madam Sarita and wish them well and all success for 2022 – 23. I thank you all once again for your love, support and understanding. It has been an honor and privilege to work and serve the community with each one of you. Please keep very well and "Live to Serve" and "Serve to Change Lives".

THANK YOU!

**Santosh Prasad Rijal**  
District Governor  
RI District 3292

# RI President's Message

What a year it has been for Rotary.

You have lived up to every challenge, including to grow more, do more, and Rotary has grown in a way that we haven't in many years. This year saw life-changing new projects across all areas of focus, as we took up important work at the highest level — with UNICEF, the Commonwealth, and global leaders. Our efforts opened opportunities to empower girls, improve the environment, and advance literacy and health.

## Shekhar Mehta

**RI President,  
RY 2021-22**

I want to thank each of you for your proactive service. I also want to thank the wonderful Rotary staff for ensuring that we can work with care for our fellow human beings, with peace in our hearts.

Personally, this has been an extremely enriching year for Rashi and me. We've met with thousands of Rotarians and been inspired by their great work around the world. We were also able to showcase Rotary's work at the highest level, meeting with heads of state, leaders, and bureaucrats and offering to work with them to show that Rotary cares and brings peace in this world. With our swan song, Rashi and I wish you the very best as you Serve to Change Lives.
