Dear Rotarians Friends,

January 2023 was full of activities. Zone 6 Multi District the Rotary Foundation Symposium was organized with RI District 3292 as host district. This was the first zone 6 Multi District Program with involvement of all ten districts. Past RI President and the Trustee Chair Ian Riseley was the Chief Guest and RI Director A S Venkatesh and Past RI Director & Trustee Dr. Bharat Pandya as Guests of Honor. Six batch mate District Governors from zone 6; Dr. Anand Jhunjhunwala, Pawan Agarwal, Dinesh K Sharma, Dr. Kushanava Pabi, Shashank Rastogi & Prabhu Dutta Subuddhi were present and also Rotarians from all ten districts were present. In the program, AKS members and Major Donors were felicitated by PRIP & the Trustee Chair Ian Riseley.

January is dedicated to Vocational Service Month. We owe our Rotary membership to our profession/ vocation in the form of our Classification. We Rotarians believe in Four Way Test and Rotary's Core Values. We all are and should be proud of our noble traditions of promoting exemplary business practices as guided by Rotary motto. We always should lead by example, live up to the highest ethical standards in our Rotary and Professional life.

We had half yearly review meeting with Assistant Governors in Sauraha, Chitwan where current update as well as upcoming district programs were discussed. Assistant Governors were reminded to motivate clubs assigned to them to do good to the world and to plan at least two joint meetings of clubs assigned to them. This will help clubs to understand more about Rotary and increase fellowship and bonding.

Club visits have been in the full swing. During January 2023, 18 clubs were visited. With this, 92 official club visits have been completed.

We have successfully completed first seven months of the IMAGINE ROTARY YEAR 2022-2023 with lots of exciting activities. Great way to start the year.

Sarita and myself and entire District Team are with you every inch of the way to enjoy Imagine Rotary Year and to do good to the world.

**Imagine Rotary Year and to do good to the world.**

TOGETHER FOR A BETTER WORLD  
AND  
TOGETHER, WE IMAGINE ROTARY

With Warm Regards,

**Jitendra B Rajbhandary**

**DG, RID 3292**

**Jennifer Jones**  
**RI President**

Rotary recently surveyed our members and found something that should be unsurprising but still caused many of us in Rotary leadership to sit up and pay attention: The single most important factor in member satisfaction is the club experience. How at home you feel in your club, how rewarding club meetings are, and how engaged you feel in service projects.

I have seen this firsthand across the Rotary world this year. When members feel an emotional connection to their club, they cannot imagine leaving. And that connection is often forged in "Rotary moments," when people feel that special connection to the people around them and the impact of their service. Our Imagine Impact Tour is all about shining a light on those Rotary moments and encouraging our members to tell their stories.

But there's something else that makes an enormous difference in building and sustaining that connection. It's the comfort and care of our members — both Rotarians and Rotaractors. As my Rotary friend Todd Jenkins says, "People can't see how you think, but they sure can see your actions."

We are in the relationship business, and if we take care of each other — genuinely show concern for each other — then we will make friends for life, and we will do anything to widen that circle of friendship.

The question is: How do we live with our eyes wide open and do the things that really matter? We do this by taking time for each other, actively listening to one another, and treating every Rotary member as equally valuable — no matter how long we have been a member or what position we hold.

People like me in Rotary leadership can offer all kinds of advice about how to make your club experience more valuable. But what's most important is for everyone in every Rotary club to speak up and listen to one another. We should never be afraid to share with our fellow Rotary member what we expect to get out of our membership and have an open discussion about how to make that happen.

To lead a Rotary club is to invite such dialogue and to be willing to try new approaches. Good leadership is giving it away. Propping others up. Allowing others to feel the victory.

I have one last request for club leaders. We still need to do more worldwide to increase our female membership. It's up a bit this year, but I know we can and must do better. Rotary is growing again. As I write this, we're just a handful of members away from surpassing 1.2 million Rotarians again. So let's redouble our efforts to bolster our clubs with great new members, then keep them for life by providing comfort and care.

it, and they are able to diagnose and treat malaria and other ailments. Rotary partnerships create lasting change.

## Rotary responds to earthquake that has devastated areas of Turkey and Syria

Turkey and Syria were struck by a devastating earthquake on 6 February that has killed tens of thousands of people, destroyed thousands of homes and other structures, and left people across the region without shelter in bitterly cold winter weather. While still providing aid to those impacted by the first earthquake, another 6.4 magnitude earthquake occurred in the same area on 20 February, bringing even more devastation.

The Rotary world responded to this catastrophe immediately. RI President Jennifer Jones activated our disaster response efforts, communicated with the affected districts, and encouraged governors in those regions to apply for disaster response grants and share information about their relief efforts so that Rotary can amplify the calls for support.

The Rotary Foundation Trustees decided that all donations made, from now until 31 March, to the Turkey/Syria Disaster Response Fund will be used to aid earthquake relief projects. In addition, the Trustees made available more than \$125,000 to Rotary districts affected by the earthquake through Disaster Response Grants.

Rotary's project partner ShelterBox also has an emergency response team assessing the needs in the region and how it can respond. That team is communicating with Rotary district leaders. Rotary's service partner Habitat for Humanity International is also working on its response. Many Rotary members are asking how they can help. Here's how to have the greatest impact:

Give to Turkey/Syria Disaster Response Fund. Donations help clubs and districts provide aid and support rebuilding efforts where the need is greatest. The funds are distributed to affected communities through disaster response grants. The Disaster Response Fund can accept cash contributions and District Designated Funds (DDF).

Support local initiatives. As we learn about local response efforts that are being led by clubs and districts, Rotary raises awareness about how to support them. People can then support these projects by working directly with Rotary members in the region. If you want us to publicize information about local response efforts, write to [relief@rotary.org](mailto:relief@rotary.org).

## Rotary's Quest for Peace in the World

Compiled by Rtn. Rajendra Shakya  
Past President/Club Trainer/Editor  
RC Tripureswor

Maintaining peace and prevention of conflict is first priority and pre-condition for a sustainable development of a country and its people. Given this reality, Rotary International has designated February—the month of Rotary Anniversary as the Peace and Conflict Prevention & Resolution Month. It is also one of the seven priority focus areas of The Rotary Foundation. The month also embraces the anniversary of the first meeting of Rotary held on **23 February 1905**, now recognized as **World Understanding and Peace Day**.

Yes, it was exactly 118 years ago this month, because of the vision of one man and his three friends that this pioneering organization Rotary has succeeded in establishing its presence in more than 200 countries in the world.

*I have tried to collect information from different Rotary references and put them together into this compiled short write-ups to provide information on the Milestones of Peace Initiatives of Rotary. This short write-up may not be the exhaustive list of all Peace initiatives taken by Rotary worldwide. But I hope this collection of materials will still be helpful to get some insights into Rotary Peace initiative and to commemorative **February as Rotary Peace and Conflict Prevention and Resolution Month**.*

### Inspiring Words on Peace by PRIP Sakuji Tanaka

(Source: RI Assembly 2012-2013)

### PEACE THROUGH SERVICE

*"In Rotary, our business is not profit. Our business is peace. Our reward is not money, but the happiness*

*and satisfaction of seeing a better, more peaceful world — one that we have achieved through our own efforts".*

*"Every Rotary project, every act of service, is an act of love and kindness," Tanaka said. "When we serve in the right ways, and for the right reasons, we bring people together, in peace and in harmony. How could it be otherwise?"*

*"I ask you to put Peace Through Service at the forefront of your Rotary work. And I ask you to understand that peace, in all of the ways that we can understand it, is a real goal and a realistic goal for Rotary. Peace is not something that can only be achieved through treaties, by governments, or through heroic struggles. It is something that we can find and that we can achieve, every day and in many simple ways".*

*"I realized that the purpose of my life was not just to earn more, to sell more, to make my business better than anyone else's. I realized that I wanted to have better goals and higher goals — both personally and professionally. I realized that for me, the most important thing in life was being useful to other people. And I realized that by helping others, even in the simplest of ways, I could help to build peace".*

*“We hear the word peace every day. We hear it in the news, we use it in conversation, and we talk about it a great deal in Rotary. But, most of us spend very little time thinking about what peace is, and what that word means.*

*On its simplest level, peace can be defined by what it is not. It is a state of no war, no violence, and no fear. It means that you are not in danger of hunger or persecution or the suffering of poverty. (Negative Peace).*

*But we can also define peace by what it is, and by what it can be. Peace can mean freedom of thought and of speech, freedom of opinion and of choice, and the ability for self-determination. It can mean security, confidence in the future: a life and home in a stable society. (Positive Peace).*

*On a more abstract level, peace can mean a sense of happiness, of inner serenity, of calm.*

*Putting Service Above Self allows us to focus our energies on what is truly important. We put the common good above our own. We prioritize others’ needs over our own desires. We think less about ourselves and more about what is best for everyone. And in this way, we help to build the foundation for a more peaceful world”.*

## Rotary creates environments of peace

(Source: [www.rotary.org/Promoting-Peace](http://www.rotary.org/Promoting-Peace))

We refuse to accept conflict as a way of life. Rotary projects provide training that fosters understanding and provides communities with the skills to resolve conflicts.

As a humanitarian organization, peace is a cornerstone of our mission. We believe when people work to create peace in their communities, that change can have a global effect.

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic

tension, lack of access to education, and unequal distribution of resources.

Our commitment to peacebuilding today answers new challenges: how we can make the greatest possible impact and how we can achieve our **vision** of lasting change. We are approaching the concept of peace with greater cohesion and inclusivity, broadening the scope of what we mean by peacebuilding, and finding more ways for people to get involved.

Rotary creates environments where peace can happen. True peace is more than the absence of violence, it is educating every day the volunteers and leaders tomorrow on Positive Peace.

But it starts with you. How will you respond?

## Rotary’s Peace Milestones

(Source: [www.rotarianactiongroupforpeace.org](http://www.rotarianactiongroupforpeace.org))

### 1905

**Paul Harris** (\* 1868 – † 1947), a Chicago attorney, founded the first Rotary Club, setting off over a hundred years of service for the world with “**Friendship**” and “**Tolerance**” as its initial true essence.

### 1917

RI President **Arch C. Klumph** proposed that an endowment be set up “for the purpose of doing good in the world.” In 1928, when the

endowment fund had grown to more than US\$5,000 it was renamed **The Rotary Foundation**, and it became a distinct entity within Rotary International.

When the Rotary Foundation was created in 1917, its single guiding principle has been to bring peace to the world through education, by reducing hunger and suffering, by increasing self-sufficiency and by helping people to better understand one another particularly in cross-cultural settings.

The mission of **The Rotary Foundation** is to enable **Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.**

### 1921

With memories of the Great World War I fresh in their minds, Rotarian delegates to the 1921 convention in Edinburgh, Scotland, unanimously agreed to incorporate **peacemaking** for the first time into Rotary's constitution and by-laws with these words: **"The advancement of international understanding, goodwill, and peace through a world of fellowship of business and professional persons united in the ideal of service"**.

### 1940

Rotarians again made a significant contribution to peacemaking at their 1940 Rotary convention in Havana, Cuba by adopting a resolution calling for **"freedom, justice, truth, sanctity of the pledged word, and respect for human rights"** that became the framework for the **United Nations' Universal Declaration of Human Rights**.

### 1942

Rotary clubs from 21 nations organized a conference in London chaired by Past RI President **Sydney W. Pascal** to develop a vision for advancing education, science and culture in preparation for the post

World War II period. This meeting led the international dialogues on reconstructing education around the world once WWII was over, and led to the establishment of **UNESCO in 1946**.

### 1945

In April 1945, Rotary was at the forefront of arguably one of the most important meetings of the 20th Century, the finalizing of the

charter of the United Nations in San Francisco. Forty-Nine Rotary members served in 29 delegations to **the United Nations Charter Conference**.

### 1947

Since 1947, Ambassadorial Scholars have spread the Rotary message of

goodwill to the many countries where they have studied.

### 1948

The **United Nations Universal Declaration for Human Rights** was finalized using the framework and guidelines from the 1940 Rotary

International Convention in Havana.

### 1965

**In 1965, the Group Study Exchange (GSE)** program began sending teams of young professionals abroad to share ideas with others in their field.

### 1974

**Youth Exchange**, which had begun with a 1927 exchange between the Rotary Club of Copenhagen, Denmark, and American students, became an official RI program in 1974.

### 1985

Rotary builds peace through its single largest and most significant project: **PolioPlus**. To date, Rotarians

worldwide have contributed more than \$1 billion toward the eradication of polio. Polio once infected more than 350,000 children annually, now remaining to be eradicated from only few countries in the world.

### 1999

The RI Trustees approved the plan to collaborate with universities to establish the **Rotary Centers for International Studies in Peace and Conflict**

**Resolution**. Rotary International would offer full scholarship to promising students around the world for a two-year master's degree program of international relations, peace, and conflict resolution. In 2006, it added another component: A 3-month certificate program, designed to cater to professional interested in peace studies and conflict resolutions.

## 2002

In 2002, the **Rotary Centers for International Studies** admitted the first class of 70 students committed to careers in **peacemaking and conflict resolution**.

## 2012

A group of Rotarians founded and launched **Rotarian Action Group for Peace**, a semi-autonomous international organization recognized by Rotary International.

## Rotary Day at United Nations:

Today, Rotary maintains close relationships with many UN agencies. RI's representatives to the UN in New York host an annual **Rotary Day (in November each year) at the United Nations** to celebrate this partnership for peace.

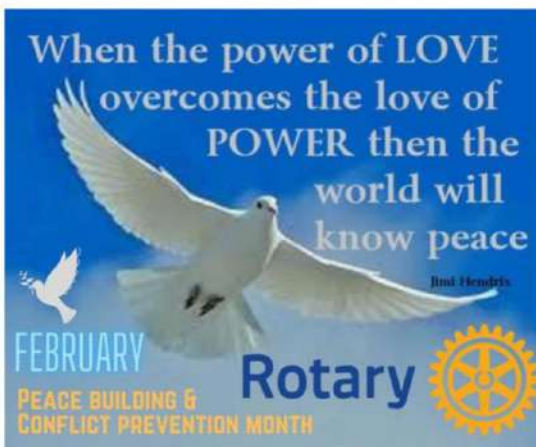

## World Peace and Conflict Resolution Month

Rotarian peacemaking activities have been further encouraged by the RI Board, which designated **February as World Peace and Conflict**

**Prevention Resolution Month** and **23 February as World Understanding and Peace Day**.

## What Does Peace Means for Me as a Rotarian?

1. When there is no justice, there will be no Peace. So, we should always stand for the justice in dealing with others.
2. Once we become the Right persons, everything falls into a Right Place. In Rotary, I consider embracing the Rotary Four-Way Test and Rotary Core Values of Fellowship, Diversity, Service, Leadership and Integrity make us true Rotarians and hence get transformed into the Right and the Justice Persons. This will lead to Peace.
3. When we distance ourselves from petty politics, and gaining power for selfish gains, when instead we stand united for a common cause of "Service Above Self", World Understanding, Goodwill and Friendship, then there will be no need for Conflict. Then Peace Prevails.
4. We are not the partisan politicians but the Rotarian leaders, who stand for a cause above self, who stand by universal values of truth, honesty and integrity for the growth of Rotary and for the benefits of common people in needs. This I believe will pave the way for Peace to prevail in one family, one community, one society, one nation and one world.

## THERE MUST BE PEACE IN THE HEART

Rotarians must follow the 6<sup>th</sup> century BC Chinese philosopher — Lao Tzu's words: "There must be peace in the heart." (Source: Rotary News, Past RID C Basker)

*If there is to be peace in the world,  
there must be peace in the nations.  
If there is to be peace in the nations,  
there must be peace in the cities.  
If there is to be peace in the cities,  
there must be peace between neighbors.  
If there is to be peace between neighbors,  
there must be peace in the home.  
If there is to be peace in the home,  
there must be peace in the heart.  
Jai Rotary!*

# Hand Embroidery Training

Organize by:

- Rotary Club of Narayani Mid Town
- WEAN Women Entrepreneurs' Association of Nepal, Chitwan
- Rotaract Club of Narayani Mid Town

Date: 7<sup>th</sup> January 2023 Venue: Binuz Fashion Technology, Bharatpur, Chitwan

## RC Narayani Mid Town

The Rotary Club of Narayani Midtown, Rotaract Club of Narayani Midtown, and WEAN Chitwan organized a three-month embroidery training program for 10 women from underprivileged backgrounds on January 7. Typically, one woman's training would cost roughly 7000, but it will be provided without charge. After the course, they will earn about 30,000 for a job at Beenu Fashion Technology, which is where they received their training. The program's trainer is a native of India.

Amit Giri, the district secretary, and Jitendra Raj Bhandari, our distinguished chief guest and DG leader of 3292, opened the event. They spoke encouraging words, as did our esteemed RCNMT AG Suresh Sen Bahadur. DG Rajendra Sherchan, first lady Sarita Raj Bhandari, and other district leaders were also there, and they all expressed their appreciation for our presentation. The event was a success.

#serviceproject\_rid3292\_2022-23

## Rotary Club of Itahari hosted a free health camp

The prominent cooperative society Public Savings and Credit Cooperative Society of Itahari has collaborated with the camp's organizers to run the program. 368 persons at the health camp had received free examinations. 101 people have had their teeth examined, while 267 people have had their eyes tested and treated.

Also, plans have been established for people who require surgery to have a free procedure. Technical support was offered at the camp on January 2 by Global Eye Center and Suswasthya Dental Hospital.

## RC Biratnagar Downtown distributed sweaters to 150 students

To support RNLM, Under(C - Child Development) of the TEACH program, the Rotary Club of Biratnagar Downtown distributed sweaters to 150 students at our adopted school, Kharji. NIC ASIA BANK sponsored the sweaters.

They gave 150 students sweaters with the ROTARY EMBLEM and the Club's name embroidered on them. When the sweaters arrived, the students were overjoyed. We do everything we can to ensure the children's well-being.

Their main goal was to ensure that students could fully concentrate on their studies while feeling safe and warm during the cold season. This will keep attendance up.

The Rotary 4-Way Test hoarding board was also given to the

school's principal in to promote moral values in both teachers and students.

## RC Biratnagar Downtown organized a thyroid awareness program

Thyroid disease affects one out of every ten people. Thyroid awareness is important because it plays an important role in the human body.

More than half of those suffering from thyroid disorders go undiagnosed.

Thyroid awareness is critical in assisting people in recognizing the symptoms of thyroid problems.

Because January is National Thyroid Awareness Month, the RC Biratnagar Downtown organized a thyroid awareness program.

The resource person was Rtn. Dr. Mamta Verma, charter president. The program's goal was to raise awareness about thyroid disease, as well as its prevention, treatment, and cure.

The program benefited RCC members and community members from Kharji and Bakhri villages, as well as club members.

## 6-day long 'Achar Training' for Single Women by RC Budhanilkantha

PEEOSW (promoting employability and entrepreneurial opportunity amongst single women) aims to benefit single women by helping them earn livelihood and potentially become entrepreneurs through vocational training/entrepreneurial support.

The PEEOSW is going to be implemented as a flag-ship project by RC Budhanilkantha as a 5-year program (2022-2026). PEEOSW envisions collaboration with partner rotary clubs and other non-rotary stakeholders within and out of Valley.

A 6 day long 'achar making training' was imparted as a pilot activity to 10 financially weak 'ekal mahila' residing in Budhanilkantha municipality, between 1-5 January 2023. Training conducted in collaboration with WHR (Women for Human Rights), through Mee-Khadya-Udhyog (industry partner) a member of WEAN cooperative at 'Chahari-ghar' established by WHR in H attigauda.

A total of more than 108 bottles of 4 types of achars (pickles) produced. Amongst the 104 bottles of achars sold, 34 bottles were bought by Rotarians and their guest. Other achar sold through WEAN, personal marketing of MKU, and to Mart promoted by Rotarian from RC Budhanilkantha. Proceeds from Achar sale divided three ways. 1/3 to participants, 1/3 industry partner, and 1/3 to be used as seed fund for next PEEOSW training.

Rs 107,000 was pledged by RC Budhanilkantha members for the pilot project, which was completed at the cost of Rs 82,587. Further 9,000 raised after the completion of training to fund post-training support to graduates, which entails material support of approximately Rs 20,000 and registration/participation for the graduates as a group during fairs/events such as the RID 2023 Assembly at Gokarna and other selective melas/markets during 2023.

Out of the total Rs 116,000 generated, under the fundraising drive coordinated by Rtn Trilochan Malla, Rs 12,000 saved as seed grant for next PEEOSW activity (possibly tailoring or knitting/weaving training) envisioned to be conducted out of Valley in collaboration with partner Rotary Club.

First phase of project was completed on time as scheduled and within estimated budget. Surplus funds will be used to finance 2nd stage of the project, plus further PEEOSW activity.

### STORY BEHIND ROTARY FOUR WAY TEST

The origins of the Four Way Test date back to 1932 when creditors of a near bankrupt aluminum company assigned the author of the Four Way Test, Herbert Taylor, to save it from further financial ruin. Competition in the aluminum industry was fierce. Mr. Taylor was looking for a way to distinguish his new company from the others, while at the same time achieving financial prosperity. Mr. Taylor decided that ethics and doing what was right would be the key to the turnaround and he penned these four simple questions that would guide him in his task:

- Is it the truth?
- Is it fair to all concerned?
- Will it build good will and better friendships?
- Will it be beneficial to all concerned?

Mr. Taylor applied this test to every aspect of the way the company conducted business and his company ended up thriving, not only paying off all of its debts, but also paying dividends to its shareholders. From the depths of failure came an ethical test that is still applied over 85 years later.

**THE FOUR-WAY TEST**  
OF THE THINGS WE THINK, SAY OR DO

1. IS IT THE TRUTH?
2. IS IT FAIR TO ALL CONCERN?
3. WILL IT BUILD GOOD WILL AND BETTER FRIENDSHIPS?
4. WILL IT BE BENEFICIAL TO ALL CONCERN?

### What rotary do?

Rotary members believe that we have a shared responsibility to take action on our world's most persistent issues. Our 35,000+ clubs and 1.2 million Rotarians work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation, and hygiene
- Save mothers and children
- Support education
- Grow local economies

In the Nutshell, Rotary provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders.

**FOUR-WAY TEST**  
OF THINGS WE THINK, SAY OR DO

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Greetings, fellow Rotarians,

**A very Happy New Year 2023 to you!**

You have received the 7th Governor's Monthly Letter (GML) and the first issue of the new year of January 2023.

I'd like to take a moment to thank all of the clubs for sharing more and more information with the GML, as well as to recognize the efforts of our Publication and GML Subcommittee Teams via emails, texts, and in person. Your encouragement inspired us to get started.

The year 2023 represents an opportunity to renew our commitment to Rotary and our fellow Rotarians. Let's get involved in a new project and share it in GML to inspire others.

We have also included newsletters published by several clubs in this issue, demonstrating their interest in disseminating the work they have accomplished as a group. I hope that more clubs will be inspired to publish these newsletters and spread the word about our activities to those outside of Rotary as well as other clubs. I eagerly await your emails!
