IMAGINE
ROTARY

Dear Rotarians Friends

October is a month of festivals for all of us. Please accept our Greetings and Best Wishes for a Happy Dashain, Deepawali, Nepal Sambat 1143 and Chhath.

September 2022 is Basic Education & Literacy month. 110 Rotarians from 34 clubs from RI District 3232 led by DG Dr. Nanda Kumar visited our District to sign inter district sister city agreement with 34 clubs from our district. Signing was done in Kathmandu and in Pokhara. Besides signing the agreements to foster friendship and bonding between the two clubs, this year's signing ceremony had a special message. One of the priority areas for this is making children literate leading to women empowerment. To encourage girl child to go to school, girl child friendly toilets are required and we have kept a target of building 1,000 toilets this year. All 34 clubs from RI District 3232 has agreed to build at least one girl child friendly toilet in partnership with clubs from our district who had signed sister city agreement.

Highlight of the month was felicitating RI Director Elect for 2023-2025 Aniruddha Roychowdhury and organizing Basic Education & Literacy Seminar with RI Director Elect as the Chief Guest. By the end of September, we have completed DG visit of 26 clubs.

We have successfully completed first quarter of the **IMAGINE ROTARY YEAR 2022-2023** with lots of exciting activities. Great way to start the year. All Rotarian friends have shown their support in making the first quarter a great success. We have another three quarters to go and achieve.

Sarita and myself and entire District Team are with you every inch of the way to enjoy Imagine Rotary Year and to do good to the world.

Imagine Rotary Year and to do good to the world.

TOGETHER FOR A BETTER WORLD
AND
TOGETHER, WE IMAGINE ROTARY

With Warm Regards,
Jitendra B Rajbhandary
DG, RID 3292

Jennifer Jones
RI President

Recently, Nick and I spent time in Guatemala, where we met wonderful fellow Rotary members and families who unofficially adopted me as "Tia Jennifer." On the third day, after visiting Patzún in the mountainous western highlands, we set out for Lake Atitlán, which we needed to reach by nightfall. If we took a back road we could get there faster. Locals told us it had just been repaved and assured us, "You'll have no problem."

At first, it was a breeze. We wound through misty-green coffee and corn fields covering the hillside like a patchwork quilt. But at a river crossing, we found a bridge washed away. The only way to continue would be to ford the river in our small bus. There were a few tense moments, but we decided to give it a try and, thankfully, we made it across safely.

This adventure reminds me of two important truths in Rotary. One, we rely on local, on-the-ground expertise to do what we do best. And two, sometimes you have to take uncomfortable chances to reach important goals.

Every day, I am honored to learn from our Rotary family. Every lesson is an opportunity to grow, and each story adds a chapter to our collective Imagine Rotary year.

Rotary Club of Himalayan Golfers

The Rotary Club of Himalayan Golfers was chartered on 27th June, 2022 & even before the charter, the club has played an active role to serve the community and its people. The club has few ongoing projects and few projects that has been completed. The following are the Completed Project's details for your reference;

Title of the Project: Kurintar Mother's Home building (Yekikrit Krishi Aama Samuha)

Direct Beneficiaries: Women in Kurintar community

Total Budget: NPR 250,000/-

Project timeline: 6th April - 11th July, 2022

During a recreational visit, Rtn. Bhai Raja Panday and Rtn. Purna Man Sakya had an opportunity to explore the area near Kurintar and found a new to be build Aama Samuha (Mother's home) near their stay. Aama Samuha (Nepali: आमा समूह, lit. 'Mothers' Group') is a Nepalese voluntary group formed to raise awareness about gender equality, issues affecting women and other social issues. Women involved participate and organize group meetings to discuss their problems and support each another. They planned to set up a revolving fund where they contribute a certain amount of money each month. Group members in need of financial support can borrow the necessary sum from their aggregate fund collection. Besides helping one another, these groups are active in campaigning right causes & raising voices to create a safer and equitable society for women.

President aspired to support the community of such diligent women and thus the first project of The Rotary Club of Himalayan Golfers came into existence. Charter President Rtn. Bhai Raja Panday proposed Kurintar Mother's Home building project to the club members on a weekly meeting held on 9th Feb, 2022. The financial aid provided then was for the construction of community hall for holding group meetings and gatherings. The Rotary Club of Himalayan Golfers raised contribution from distinct club members to support the project. Charter member Rtn. Phinsto O Lama was kind enough to become a bridge between RCHG and Yekikrit Krishi Aama Samuha aiding communication and financial assistance. ■

For more than 35 years, Rotary has worked to end polio. To help with the effort, numerous volunteers have donated more than \$2.1 billion from Rotary members. Only Afghanistan and Pakistan still have an endemic polio outbreak today, but it is essential to keep trying to eradicate the disease in other nations. If all eradication efforts were to cease now, polio might disable as many as 200,000 children annually during the next ten years.

Rtn. Purna Man Sakya, chair of the Rotary Club of Himalayan Golfers of the service project, suggested holding a golf outing to collect money for polio eradication, which would help those impacted all over the world. South Asia Fellowship for Golfing Rotarians sponsored the event (SAFGR). Globally, there are those who are direct beneficiaries. The whole budget is 300,000 NPR. South Asia Fellowship's for Golfing Rotarians (SAFGR).

The Rotary Club of Himalayan Golfers arranged an eye screening camp for the residents of Thali at the initiative of Chair, Club Administration Major Gen. Daman Ghale and in collaboration with Nepal Eye Hospital. More than 240 patients were screened in the camp. Since Nepal Eye Hospital and RCHG have a solid working relationship, numerous screening camps of this nature will be held in various locations over the next few days.

Local residents are the direct beneficiaries and The Nepal Eye Camp provides technical support.

World Cerebral Palsy Day was celebrated by RC Biratnagar Downtown.

The saying "Try to lift someone else's spirits as much as you can" is true.

The Rotary Club of Biratnagar Downtown joined the children at the CP Day Care Center and Adarsh Vidhyalaya to celebrate World CP Day.

In addition to receiving t-shirts bearing the Rotary insignia and the name of the club, the 15 CP children also received hygiene kits, gift bags, and toys.

For the occasion, the CP center was decorated with green balloons. Cake cutting and music-making were done as a celebration. Kids had a great time moving and dancing to the music. One feels divine when observing children experiencing joy.

Parents of the CP Babies were present in addition to club members.

Sports, drawing, and handwriting competitions

Sports, drawing, and handwriting competitions were held by the Rotary Club of Biratnagar Downtown, with the theme of Basic Education and Literacy Month. Shri Jyoti Adharboot Vidhyalaya is the location.

At Shree Jyoti Adharboot Vidhyalaya, Kharji, various competitions for poor youngsters were held during the month of literacy. Such competitions had never been held at the school before, so the children were quite delighted to take part and they had a terrific time. The winners were each given a prize.

Such competitions will be frequently held at the school. This will help students' interest and encourage them to go to class frequently, hence raising attendance.

**Chair, District Publication & GML
Sub-Committee (2022-23)**

Greetings, fellow Rotarians,

I must first apologize for not getting the GML published on time. We're all doing our best, but at times, the physical unwellness has made it difficult to promote the GML. I would like to apologize one more for this.

We are delighted to present the September Issue of Governor's Monthly Letter to you (GML). This issue is dedicated to all the clubs in District 3292 who have generously helped us reach our district's aim of achieving 100% literacy by the year 2030 through the execution of the TEACH program during September, which is dedicated to basic education and literacy. According to Kofi Annan, literacy is the key to human progress and the way for every man, woman, and child to reach their full potential. The district and individual clubs have set goals, and District 3292 has been attempting to coordinate the efforts each club is doing to meet those goals.

We want clubs and individuals to share their news and articles because we would like to hear more of these enlightening, life-changing tales. We have included motivational pieces from the Rotary Nepal Literacy Mission (RNLM) and a special message from the district's basic education and literacy chair,

Once again, we would like to ask that you get in touch with your respective Regional Chairs and ask them to send us the report in the format specified rather than Viber, WhatsApp, or other social media platforms, as we are inundated with information on those platforms and might miss wonderful humanitarian efforts carried out by clubs. All of us are present to highlight your project. Salute to Rotary

Imagine Rotary with SMiLE
