Rotary International District 3292

Clean Water, Healthy Lives

GOVERNOR'S MONTHLY LETTER

Dear Fellow Rotarians, Rotaractors, and Interactors,

I extend my heartfelt gratitude to all participants of the 16th District Conference held in Butwal, Lumbini. Your generous support in the birthplace of Lord Buddha was truly overwhelming and made the event gracious. And, I cannot thank enough to the Counsel of Governors, Sponsors, Exhibitors and volunteers for their invaluable support.

Our theme for this year's District Conference, 'Abhilasha,' aimed to create hope within our community. Despite the challenges we face in our personal lives, businesses, and professions, your unwavering commitment to serving others demonstrates the spirit of Rotary's motto, 'Service Above Self.'

I am grateful for the presence and support of our Chief Guest, Deputy Prime Minister Hon. Raghuraj Mahaseth, who acknowledged the significant contributions of Rotarians to community service.

A special appreciation goes to Rotary International President Representative (RIPR) Dennis Shore and his spouse Lynda for their invaluable support in making this event a grand success and showcasing our district to the world. I truly appreciate his simplicity, guidance and generosity to promote the message of RI President Gordon R McInally.

I commend the efforts of 16th District Conference Chair Azaj Alam, his team and the District team for flawlessly organizing this event and extending commendable hospitality to over 1,700 participants in Butwal.

I am inspired by the numerous club activities aimed at supporting communities and enhancing Rotary's image through various initiatives such as tournaments, marathons, and cyclothons. Kudos to all club leaders across the district for their dedication and hard work.

March marks Rotary's dedicated focus on Water, Sanitation, and Hygiene (WASH). Despite Nepal's abundant freshwater resources, many communities still lack access to clean drinking water and safely manage sanitation initiatives. Let us seize this opportunity to make a meaningful impact through Rotary's WASH mission.

I am pleased to witness the diligent preparations of my successor, DGE Rtn. Rajendra Man Sherchan, and his team for the upcoming President Elect Training Seminar (PETS) in Chitwan. I wish them success and encourage everyone to collaborate in furthering Rotary's mission.

In closing, I extend warm wishes for a happy New Year 2081, filled with peace and prosperity.

Yours in Rotary,
- Rtn. Rajendra Prasad Dhoju
District Governor 2023-24
Rotary International District 3292, Nepal-Bhutan

MARCH

Water, Sanitation,
and Hygiene Month

I commend the efforts of 16th District Conference Chair Azaj Alam, his team and the District team for flawlessly organizing this event and extending commendable hospitality to over 1,700 participants in Butwal.

RI PRESIDENTIAL STATEMENT

Each year, Rotary awards up to 130 fellowships for leaders around the world to study peace and development, and what these peace fellows learn prepares them to work in conflict prevention and resolution and promote Positive Peace. Here are a few examples of the creative ways peace fellows advance peace:

Promoting sustainability

Alejandra Rueda-Zarate combined her Rotary Peace Fellowship in peace and conflict resolution with her master's degree in energy and resources to support her dream of protecting the Colombian countryside. She founded the organization NES Naturaleza in 2011 to help farmers in Colombia and across rural Latin America gain access to knowledge and training to uphold sustainable farming standards.

Ending racism

Peace fellows Geoffrey Diesel and Kathy Doherty have applied their fellowships in peace and development studies toward co-founding the Racial Equity Project, a subcommittee of Rotary Positive Peace Activators in North America committed to studying ways to create a more peaceful society through anti-racism efforts.

Managing disasters using data

Through a Rotary Peace Fellowship, Jamie LeSueur earned a master's degree in social

science within peace and conflict research. He now leads emergency operations for the International Federation of Red Cross and Red Crescent Societies, setting a management and operational framework for agency collaboration in emergency response situations.

These stories – and hundreds like them – show how Rotary is creating a generation of leaders ready and able to build peace worldwide. Nearly 1,800 peace fellows have graduated from Rotary Peace Centers, and they are applying their craft in more than 140 countries.

May the continuing work of peace fellows and the Rotary members who support them inspire you to continue to Create Hope in the World through service, fundraising, and creative thinking.

Glimpses of 16th District Conference in Butwal: Embracing "Abhilasha"

ROTARY INTERNATIONAL DISTRICT 3292
15TH - 17TH MARCH 2024

The 16th District Conference of Rotary International District 3292, held from March 15th to 17th, 2024, at the Butwal International Convention Center (BICC) in Butwal, Nepal, illuminated the spirit of hope and positive desire encapsulated by the theme "Abhilasha." This historic event witnessed participation from all 156 clubs of Rotary District 3292, a remarkable milestone reflecting the district's unity and commitment to collective action.

KEY HIGHLIGHTS:

Inaugural Session: A grand commencement marked by ceremonial rituals, invigorating speeches, and cultural performances, attended by 2000 participants. Notable dignitaries included the Chief Guest Honorable Deputy Prime Minister Raghur Mahaseth, Rotary International President Representative (RIPR) Dennis Shore, distinguished Past District

Governors (PDGs) District Governor Elect, Nomine and District Governor Nominee Designated.

Day 1: Sessions focused on Rotary Foundation, with engaging discussions and insightful presentations by esteemed speakers.

Day 2: Recognitions and awards highlighted the commitment to vocational excellence, service projects, membership development, and youth engagement.

Day 3: Delves into Rotary's areas of focus and administrative aspects, emphasizing collaboration and strategic planning. Throughout the conference, attendees were engaged in enlightening sessions, honoring exemplary contributions, and fostering discussions on vital topics such as membership development, service projects, and the role of youth and women in Rotary.

The sessions were enriched by the wisdom of esteemed speakers and interactive exchanges, igniting a renewed zeal for service and community development.

In the evening, fellowship and entertainment sessions provided moments of joy and camaraderie, enhancing the conference experience. Attendees indulged in delicious cuisines, captivating performances, and lively interactions, forging lasting bonds beyond the conference hall.

TOTAL OF
1,766
PARTICIPANTS ATTENDED

FACT CHECK

- 100% participation from all 156 clubs of Rotary District 3292.
- Total of 1,766 participants attended the Inaugural Session.
- Over 100 clubs contributed significantly to the conference.
- More than 20 businesses participated, and 25 clubs showcased their exhibits.
- Rotary Club of Bharatpur stands out as the only club with 100%-members registration
- RC Butwal had the highest participation, with 72 registered members.

As the conference concluded, District Governor expressed gratitude to all contributors, recognizing their invaluable support and dedication. Conference Chair Azaj Alam extended heartfelt thanks to attendees, committee members, sponsors, and institutions for their pivotal role in making the event a grand success. 🌟

DISTRICT EVENTS

How was your experience in attending this District Conference?

RTN. NISCHAL B. SHRESTHA
Chair - RYLA Subcommittee
2023-24

My participation in the 16th District Conference at Butwal was very transformative. With engaging sessions, insightful speakers, good food, fellowship, and networking opportunities, it enriched my understanding of Rotary's global impact. I loved the use of technology in our conference and I loved the BICC venue! Overall, it was a successful conference.

RTN. RAJ BHAI SUWAL
AG 2023-24, Zone 3
RC Bagmati Kathmandu

I participated 16th district conference as Assistant Governor this year and attended all the events & talk programs from an allocated seat in the hall, I learnt so many things from the speakers. Every day, after the event fellowship, here fellowship was obvious, every meeting everyone was greeting each other & sharing about their own club projects & excellent entertainment & various foods were served.

RTN. RABI LAL POKHAREL
AG 2023-24, Zone 32
RC Butwal Downtown

District Conference was a wonderful experience to meet Rotarians from all corners of our RID3292. Huge crowd gathered in Butwal at Butwal International Convention Center (BICC) to learn, share and enjoy together with extravagant entertainment, good food and better friendship.

RTN. SMITA PRADHAN
Rotary E-Club of District 3292,
Nepal-Bhutan

It was my first experience in District Conference 2023-24. I got the opportunity to meet people from various background including RIPR Denish Shore and his spouse, which I believe to enhance my connection with Rotary. Overall, I enjoyed the fellowship during my stay on the District Conference at Butwal.

RTN. RAM SHARMA SHARMA
AG 2023-24, Zone 38
RC Hetauda

A historical example of RID 3292 in my 20 years of Rotary life. Well managed reception, conference hall, food and entire hospitality from the organizing team. Shuttle service from the airport to venue to hotel was really appreciable. More than 1,500 Rotarians fully enjoyed the conference.

RTN. SUSHMA SHARMA
AG 2023-24, Zone 8
RC Kasthamandap Kathmandu

The District Conference at Butwal was a fantastic gathering of like-minded individuals dedicated to service above self. It was a platform for sharing ideas, networking, and celebrating the impact of Rotary in our communities. The event was inspiring, informative, entertaining, fellowship and a true testament to the power of coming together for a common cause.

RTN. ROBIN SHRESTHA
AG 2023-24, Zone 40

The 16th District Conference was a pivotal platform for knowledge exchange and professional development. With diverse sessions, interactive panels, and vibrant discussions, it catalyzed inspiration and collaboration. The environment and the ambiance reflected a professional look. A must-attend event for those seeking to amplify their impact and connect with industry leaders.

RTN. BHUWAN SHRESTHA
AG 2023-24, Zone 4
RC Tripureswor

It was the best district conference ever I attended and thoroughly enjoyed the event. I had a mission to plant 100,000 trees in Rotary Year 2023-24 and out of which it was also a pleasure to do a plantation at the venue - BICC at the inaugural session.

DISTRICT EVENTS

IFCR Delhi Won the Governor's T20 Cricket Cup

2 FEBRUARY 2024

IFCR Delhi emerged as the winner of the RID3292 Governor's T20 Cricket Cup 2023-24 on February 2, 2024. This marked the third edition of the Governor's Cup. Three teams participated in the tournament, namely IFCR Nepal, Rotary Club of Rudramati, and IFCR Delhi. IFCR stands for International Fellowship of Cricket-loving Rotarians. In the final match, IFCR Delhi triumphed over the Rotary Club of Rudramati. The third edition of the T20 Governor's Cup was inaugurated by District Governor Rajendra Dhoju. IFCR Chair Pramod Jaiswal extended a warm welcome to the players, while the governor wished all the teams the best of luck. The chair and captain of IFCR Delhi expressed gratitude for the hospitality and the enjoyable matches. 🌟

Phool Prasad Honored with Prestigious Gopal-Kamala Rajbhandari Rotary Award for Vocational Excellence

Amidst the vibrant tapestry of endeavors that make our world a better place, PhoolPrasad stands tall as a beacon of eco-friendly innovation and social impact. We are delighted and deeply honored to announce that PhoolPrasad has been awarded the esteemed "Gopal-kamala Rajbhandari Rotary Award - For Vocational Excellence" for the year 2023-24.

This prestigious award, instituted in memory of Rotarians Gopal and Kamala Rajbhandari, symbolizes a legacy of commitment to societal progress and transformative change. As we accept this accolade, we extend our heartfelt gratitude to the Rotary Club and the esteemed panel of judges for recognizing our contributions to sustainability, community empowerment, and cultural preservation. 🌟

Empowering Tomorrow's Leaders through The Rotary Youth Leadership Award (RYLA)

Leadership is a cornerstone of human progress, playing a pivotal role in shaping individuals, organizations, and societies. In a world that constantly evolves, leadership remains a timeless and essential trait. Whether in business, politics, or community service, effective leadership drives progress and inspires change. Recognizing the significance of nurturing leadership skills in young individuals, Rotary International established the Rotary Youth Leadership Award (RYLA) program.

Rotary Youth Leadership Awards (RYLA) is an intensive leadership program for young people age 14–30. Organized by clubs, districts, or multidistrict, RYLA allows participants to learn new skills through civic engagement and personal and professional development opportunities. Hence, RYLA stands as a beacon of hope and opportunity for the leaders of tomorrow, offering them a transformative experience that equips them with the tools and confidence to make a positive impact on the world.

RYLA is more than just a leadership training program; it is a life-changing journey that empowers young people to unlock their full potential. The program brings together promising young leaders from diverse backgrounds and provides them with a platform to enhance their leadership capabilities, expand their networks, and cultivate a sense of social responsibility. Through a series of interactive workshops, team-building exercises, and inspirational speakers, RYLA participants are challenged to think critically, communicate effectively, and collaborate with others to address real-world issues.

One of the most remarkable aspects of RYLA is its emphasis on experiential learning which comes from Innovation. Rather than passively absorbing information, participants are actively engaged in hands-on activities that simulate real-life leadership scenarios. Innovation is about introducing new ideas, methods, or solutions to address challenges and create positive change. In leadership, it's essential to encourage innovative thinking among team members, fostering an environment where creativity and forward-thinking are valued. Leaders who innovate are constantly seeking ways to improve processes, products, or services to stay ahead of the curve and adapt to changing circumstances. Hence, whether leading a team through a challenging task or working together to solve a community problem, RYLA participants learn by doing, gaining valuable insights and skills that are immediately applicable in their personal and professional lives.

Moreover, RYLA fosters a sense of camaraderie and collaboration among participants with their ability to Influence. As they navigate through various challenges and triumphs together, bonds are formed, friendships are forged, and a supportive community emerges. This sense of belonging not only enhances the overall experience of RYLA but also creates a lasting network of like-minded individuals who share a common passion for leadership and service. This networking and long-term friendship and bond is not limited to the participants alone but to the organizing team as well as evident from personal experience of RYLA 2019 Sanga and recently held RYLA Pokhara.

Beyond the tangible skills and connections gained, RYLA leaves a lasting impact on participants' lives and Inspires them by instilling in them a sense of purpose and empowerment. Many RYLA alumni go on to become leaders in their schools, communities, and careers, applying the lessons they learned during the program to effect positive change in the world around them. Whether launching a community service project, advocating for social justice, or starting their own business, RYLA alumni are equipped with the confidence, resilience, and vision to turn their aspirations into reality.

In essence, RYLA is not just a program; it is a movement—a movement that inspires young people to dream big, embrace challenges, and lead with compassion and integrity. By investing in the next generation of leaders, RYLA is shaping a brighter future for communities around the globe, one empowered leader at a time.

A true Leader takes on the mantra of "Innovate, Influence, Inspire" and that is what will try to instill and empower tomorrow's leaders through the upcoming RYLA Kakani 2024.

As we look ahead to the future, let us remember the words of John F. Kennedy, who once said, "Leadership and learning are indispensable to each other." Through programs like RYLA, we have the opportunity to nurture the leaders of tomorrow and cultivate a world where leadership is synonymous with service, empathy, and excellence.

WASH SPECIALIST

Dinesh Raj Manandhar

Serving Communities to
make Healthier and Happier

INTERVIEW BY RTN. RAJ SHRESTHA

Er. Dinesh Raj Manandhar, PhD has over 34 years of Research and Consulting experience in the field of Water, Sanitation and Hygiene in Nepal and many countries around the world. He has worked with Government, UN agencies, NGO and private sector as well. He is associated with many professional associations. He has on his credit the awards such as Mahendra Vidhya Bhushan "ka" from Government of Nepal, Colombo plan and DAAD scholarship awards for his academic career.

He joined Rotary Club of Patan South in the year 2012. He has served as President of the club in 2017-18, Assistant Governor for RY 2020-21 and various positions in district committees. He is Cadre of Technical Advisor, WASH and Environment and member of WASHRAG and ESRAG in Rotary International. He is District secretary of district 3292, RY 2023-24. He has participated in various national and international events including district conferences and international conventions. He is keen to work in team and to serve the best for humanitarian activities and society at large. Doing good in the world and knowledge sharing is his passion.

Here is an excerpt of the interview taken by Rtn. Raj Shrestha, Chair-District Publication and GML Sub Committee.

Rotary has been a unique platform to serve the community. How have you been assessing its contribution so far?

Rotary is an international organisation having members from different sections of vocations joining together for a common goal and for doing good to society. Rotary

does humanitarian service above self. It has mainly seven areas of focus towards its service to the community in need viz; Providing safe drinking water and sanitation, Promoting peace and conflict resolution, Maternal and child care, Community and economic development, Diseases prevention and treatment, Supporting environment, Providing education and literacy and many more. Rotary is known to the world for its support towards eradicating polio. Rotarians are the volunteer leaders who dedicate their time, treasure and talent to tackle the world's most pressing humanitarian challenges.

Nepal has now graduated from least developed country to developing country as Human Development Report 2020 has portrayed. Do you see any pertinent challenge on the improvement of lives, especially on availability of safe drinking water supply and sanitation?

United Nations General Assembly (UNGA) in November 2021 has passed resolution to graduate Nepal from LDC to MDC. Nepal committed to the UN SDGs and spelt out in key policy documents, such as the current

15th five year Development Plan and other policy documents. Out of 17 goals of SDG, goal 6 is to ensure access to water and sanitation for all. Access to safe water, sanitation and hygiene is the most basic human need for health and well-being. SDG 6 calls for ensuring universal access to safe and affordable drinking water, sanitation and hygiene, and ending open defecation.

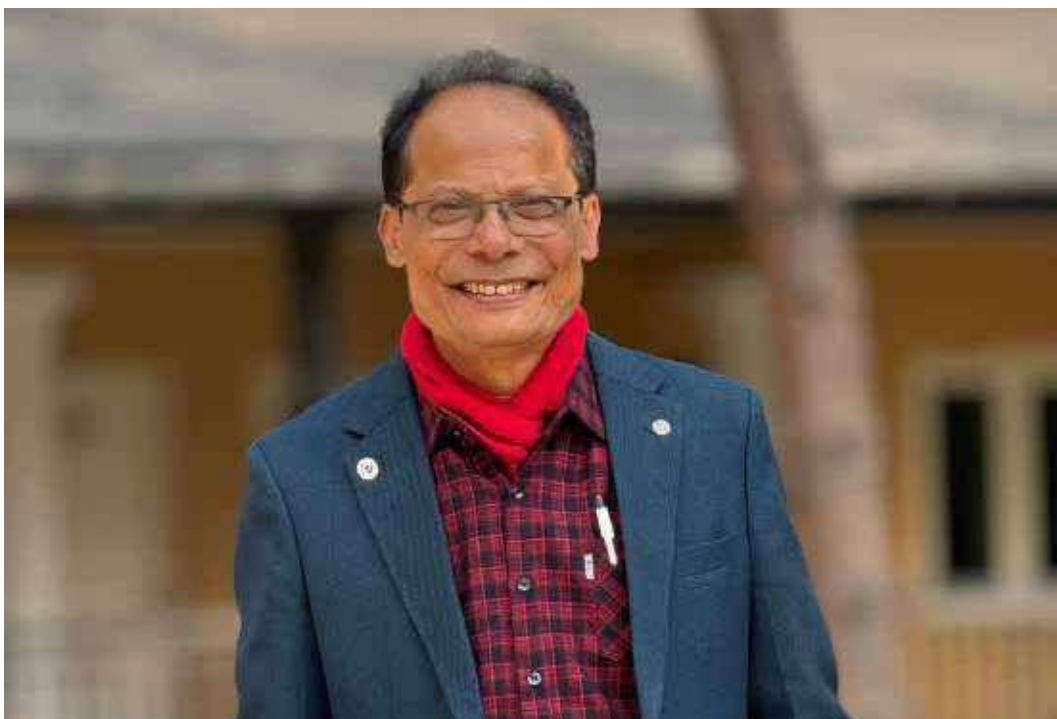

In Nepal, latest data from the Joint Monitoring Program for Water Supply, Sanitation and Hygiene (JMP), showed that in 2022, 91% and 81% of the country's population had access to basic drinking water supplies and basic sanitation, respectively. As for hygiene, data shows that 60 % and % of the population have access to a basic handwashing service, in rural and urban areas, respectively. So there is still a gap and challenges for universal coverage.

Rotary also focuses on providing clean water, sanitary and hygiene as one of its seven key areas, do you have any data on how it is helping the people on this front?

As mentioned earlier, Water and sanitation is one of the areas of focus of Rotary. Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change. Since 2013, The Rotary Foundation has invested in more than \$130 million in over 2,000 projects worldwide (www.rotary.org). Rotary clubs in the countries have invested from their own fund and also partnering with government and private sector in many large WASH projects. Through these investments, our volunteers of action have improved access to safely managed and basic WASH services to communities, schools and healthcare facilities, and also protecting and conserving scarce water resources.

Nepal being one of the richest countries in the world with fresh water availability, why are we still struggling to manage sufficient supply to the people?

Yes, Nepal is rich in availability of water resources, but harnessing the water with adequate access to safely managed water through the water systems is challenging due to urbanization, pollution due to anthropogenic activities and industries, wastewater intrusion and solid waste disposal in to water bodies like river,

ponds and lakes. Another important factor is treatment necessary for maintaining national water quality standards and as per WHO guidelines. Due to climate change, water sources from stream as well as groundwater are depleting, challenging the supply chain with demand. Tackling the disasters and emergencies like landslides, floods, droughts and fires have been a great issues for the water utilities in the country.

Nepal's WASH component is guided by the WASH Sector Development Plan, SDP (2024-2043) which is to be implemented by the Ministry of Water Supply. Is there any Rotary collaboration with Nepal government effort?

The SDP for Nepal in the WASH sector needs to provide a solution to address multifaceted challenges and harness opportunities for transformative change. Nepal has made commendable progress in expanding access to WASH services, yet significant gaps persist, and emerging complexities necessitate a comprehensive strategic framework. The SDP responds to the urgent need for a unified roadmap that aligns with national and global development goals, particularly the Sustainable Development Goals (SDGs). It serves as a guide to channel resources effectively, enhance coordination, and ensure that no one is left behind. Rotary

clubs in Nepal have been collaborating with local government at the grassroot level for implementing WASH projects. The district 3292 is also soon launching a RI USAID partnership project of 2 Million USD, for which a pre-approval have been already received. This project will be carried out in partnership with USAID and government as well.

There are many water and sanitation related diseases affecting people of Nepal and takes many lives every year. What are the challenges community-based organizations face and immediate measure they can take to save lives?

Poor water quality due to pollution and failure to maintain hygiene and safe environment when handling water and waste are the causes of water borne diseases impacting on their lives with high mortality and morbidity rates prevailing in the country. This has effect on the productivity of people and their livelihoods as well. The measures to be taken by community based organization like Rotary and others is to invest in capacity building of not only community, but all three tiers of government, promote advocacy and awareness including investment in infrastructures for the water utilities at community, HHS, Schools and Healthcare facilities as well.

The Chhaupadi tradition mainly in Karnali and Sudurpaschhim and the social taboos prevailing in our country towards menstrual hygiene has impacted many women and girl child knowingly and unknowingly.

Since 2013, The Rotary Foundation has invested in more than \$130 million in over 2,000 projects worldwide

Rotary also have initiated along with other organizations in awareness building, promoting reusable pads, linking production of pads with economic development programme and income generation.

Menstrual health challenges still exist in girls and women mainly in rural areas. How effective you see the Rotary's role for creating positive change?

Menstrual hygiene is one of the concerned challenges for the girl children, who miss the schools mainly in rural areas. The Chhaupadi tradition mainly in Karnali and Sudurpaschhim and the social taboos prevailing in our country towards menstrual hygiene has impacted many women and girl child knowingly and unknowingly. There have been promising steps taken by various organizations including government to tackle the issue. Rotary also have initiated along with other organizations in awareness building, promoting reusable pads, linking production of pads with economic development programme and income generation. The initiatives has to be scaled up to create a lasting positive change by Rotary clubs mainly in schools and community working with government and private sector.

Rotary prioritizes its effort to support positive learning environment in school, where sanitation and hygiene issues become vital. How effectively Rotary clubs throughout the district is collaborating with school administration and local government to bring change?

Rotary Nepal is implementing Rotary Nepal Literacy Mission (RNLM) programme and one priority aspect under TEACH is Happy School.

Many Rotary clubs are implementing Wash in Schools projects by providing access to water and sanitation facilities, conducting Teachers training and providing support towards Girl Child Toilet project (supported by district) in partnership with local government as well. The MoU between clubs and schools and partnership and collaboration with local government have so far brought good impact and raised public image of Rotary.

How do you see the Rotary making a difference in community in terms of water, sanitation and hygiene (WASH) as its cumulative efforts?

The entry in to any community is through providing basic services to the community. Water and Sanitation are the basic services that every community demands. Rotary clubs and their members are always a part of the community compared to other NGOs, who build the projects and leave. The long-term operation and maintenance is key issue for sustainability of such projects. Through the collaboration with the local government and continuous advocacy and capacity building at all levels and policy influence, Rotary's role is instrumental. Thus, through the small to large WASH projects that Rotary implements, it makes a significant difference at the communities. 🌻

Club News & Activities

MARCH 2024

Warm Clothes Distribution

RC of Central Butwal
22nd December 2023

On December 22, 2023, a heartwarming event took place in Janata Pra. Bi. Palpa Baunaskali 4, where warm clothes were distributed to those in need. The generous sponsorship of Rs 60,000 was provided by Rtn. Til Prasadd Bhattarai and Rotary Club of Central Butwal, making the event possible and a successful one.

Winner of the Service Project - District Conference

RC of Narayani Mid Town
22nd December 2023

The Rotary Pursu Drinking Water Project of the Rotary Club of Narayani Mid Town was awarded the first prize, along with a cash

prize of Rs. 50,000, in the Project Showcase at the 16th District Conference in Butwal. The award was handed over to the Rotarians from RC Narayani Mid Town by Rotary International President's Representative Dennis Shore, First Lady Lynda Shore, and District Governor Rajendra Dhoju.

Blood Donation Program

RC of Mahabouddha
3rd February 2024

The Rotary Club of Mahabouddha organized a Blood Donation program on February 3rd, 2024, at Nakhu Bagdole, Lalitpur, in collaboration with Sudesha School and Bisnu Devi Women's Group. This program, a humanitarian and life-saving initiative by the Rotary Club, supports communities through blood banks during emergency cases in hospitals.

Our volunteers actively raised awareness among women in local communities, emphasizing the importance of blood donation. Despite the short notice, 52 people attended the program, contributing to its success.

The program received support from Rotarians, school teachers, volunteers from women's groups, and other community members. Their collective efforts ensured the fruitful execution of the blood donation program.

Health Camp for Geriatric Age Group

RC of Palpa Lumbini
24th February 2024

The "Health Camp for Geriatric Age Group" was successfully conducted by the Rotary Club of Palpa Lumbini on February 24, 2024, at Shree Shiva Parvati Old Age Home in Syangja, as a continuation of our annual ritual of celebrating Rotary Day. This marked the fifth consecutive year of conducting this program on this occasion. It was a deeply humbling experience for young aspiring leaders to be in the presence of such vast life experience. In a way, we ourselves felt healed as we attempted to address their ailments.

The name of our project modestly reflects the activities conducted. Our aim was to provide comprehensive care to senior citizens, extending beyond health check-ups and distributing medicines to helping them feel better through companionship. After completing the health examinations, we cooked meals together, shared them, and exchanged smiles, laughter, emotions, tears, and experiences that are priceless. We also toured their facility to understand how we could further promote aspects that would enhance their quality of life.

The program concluded with the distribution of warm blankets and providing financial support to every senior citizen. The greatest outcome of this program was the smiles on their faces, each wrinkle representing a wealth of knowledge and experience. In conclusion, the successful execution of this program reaffirmed our

commitment to the Rotary movement, reminding us of the transformative power of service.

Eye Screening Programme On the Occasion of 119th Rotary Day

RC of Bhairahwa
23rd February 2024

On February 23rd, the Rotary Club of Bhairahawa participated in and supported an Eye Screening Program organized by the Rotary Club of Bhairahawa, Rotary Club of Central Lumbini, and Rotary Club of Lumbini Siddharthanagar on the occasion of the 119th Rotary Day at Siddhartha Adharvut Vidyalaya. The chief guest for the event was Ag Hira Bdr Shah.

The primary objective of this initiative was to provide accessible eye care services to the community, particularly focusing on early detection and prevention of eye-related issues. Through such endeavors, the Rotary Club of Bhairahawa demonstrated its commitment to community welfare and healthcare outreach, aligning with the principles of Rotary International. By offering these essential services on Rotary Day, the club reinforced the spirit of service and collaboration, inspiring others to follow suit.

Donate Some Warmth

RC Biratnagar Central
22nd February 2023

On 22nd February 2024, the Rotary Club of Biratnagar Central conducted a cloth donation program. In the event, the clothes were donated to the underprivileged and needy slum dwellers of ward 10. The entire donation program benefitted around 150 people.

119th Rotary Day Celebration

RC of Hetauda

18th - 23rd February 2024

The Rotary Club of Hetauda celebrated 119th Rotary Day with a week-long series of programs aimed at serving the community and promoting health awareness ranging from blood donation to heart health camp. The club orchestrated a diverse array of initiatives, leaving a lasting impact on the local community.

The week-long program commenced with a blood donation program on the inaugural day, twenty-three members and volunteers generously donated blood for the noble cause, exemplifying the spirit of Rotary's commitment to saving lives. Continuing the celebratory spirit, the second day witnessed a lively friendly table tennis match between Rotarians and Rotaractors. The event not only fostered friendly competition but also strengthened bonds of fellowship among participants. As a victor, the Past President Rtn. Ujjwal Sharma Bhandari lifted the trophy in the competition.

On the third day, the RC Hetauda President handed over the cheque of Rs. 1,17,000/- to the head teacher of Rastriya Rotary Secondary School, Manahari to provide scholarships for the ten grade eleven and twelve students. This initiative aimed at ensuring access of needy students to quality education.

Environmental sustainability took center stage on the fourth day as the club undertook the installation of 20 dustbins at Hupra Chaur

and Bhuaneshar Temple, Hetauda. By promoting responsible waste management practices, the Club aimed to enhance the cleanliness and hygiene of the local environment. The installation was accomplished with the financial support of Mahalaxmi Bank, Hetauda branch.

In line with RI's focus on mental health, the fifth day featured an orientation session designed for grade 11/12 students of Siddhartha Secondary School, Hetauda on mental health issues and reducing stigma surrounding mental illness. Participants gained valuable insights and resources to support mental well-being. The session was facilitated by Prof. Dr. Surendra Sherchan of Madan Bhandari Health Science Council, Hetauda.

The week-long celebration concluded on the Rotary Day with the heart health camp held at Manahari, in coordination with Heart Foundation, Makwanpur which provided vital heart health screenings to 250 residents with an expert team of cardiologists and health assistants from College of Medical Sciences, Chitwan and Manthali Community Hospital, Ramechhap. The camp was organized with a view to promoting cardiovascular wellness among residents.

In the regular weekly meeting on the Rotary Day at the heart camp venue at Manahari, RC Hetauda President Rtn. Swagat Raj Pyakurel reflected on the eventful events and expressed his gratitude to all participants, volunteers and club members for their unwavering support and exemplifying the enduring commitment to service above self.

Barahsinghe Open Golf Tournament

RC of Itahari Yugal

1st - 2nd March 2024

The Rotary Club of Itahari Yugal is thrilled to announce the partnership with the Koshi Province Golf Association as co-organizer for the Barahsinghe Open Golf Tournament scheduled for March 1st and 2nd, 2024. The tournament displayed exciting golfing talent and camaraderie. To enhance the experience, the club collaborated with Soaltee Westend Hotel Itahari as our hospitality partner. The hotel hosted the prize distribution ceremony followed by a delightful cocktail dinner. This collaboration aimed to elevate the tournament's profile and provided participants with an unparalleled golfing experience. The Barahsinghe Open Golf Tournament captivated audiences with its exhilarating display of golfing prowess. The tournament comprised of memorable moments, and an atmosphere brimming with excitement.

The winner of the tournament received Rs. 20000 followed by Rs. 18000 and Rs. 15000 by the first and second runner up respectively. The total cost of the tournament was around Rs. 70000 in which the club contributed Rs 100000. The main objective of the event was to promote the club and its support towards sports.

Rotary Mini Marathon 2024

RC of Ratnanagar
2nd March 2024

The Rotary Club of Ratnanagar and Rotaract Club of Ratnanagar hosted a spectacular event, the Rotary Mini Marathon 2024, on March 2nd, 2024, bringing together 765 enthusiastic participants from all walks of life. The marathon featured two categories: the male-dominated open category and the female category, both of which saw a remarkable turnout. Rtn. Hari Kumar Shrestha, President of RC Ratnanagar, extended a warm welcome to all the dignitaries and acknowledged their invaluable support.

The distinguished event was inaugurated by Mayor Renu Dahal of Bharatpur Metropolitan City for the open category, while the female

category was graced by the presence of District Governor Rajendra Prasad Dhoju from District 3292. Their presence added an extra layer of prestige to the event, reflecting the community's support for such initiatives. In the fiercely competitive 15.4 km open category race, Mukesh Bahadur Paal from the Tribhuvan Army Club emerged victorious, clinching the top spot and securing a handsome reward of Rs. one lakh along with a silver medal. Meanwhile, in the 5 km female category race, Fulmati Rana from the APF Club showcased her prowess, winning Rs. twenty thousand along with a silver medal. The prize distribution ceremony was a moment of grandeur graced by esteemed guests, including District Governor Rajendra

Prasad Dhoju, Special Guest Nancy Khadka (Miss International Nepal 2022), Past District Governor Sanjaya Giri, IPDG Jitendra Bahadur Rajbhandary, DGE Rajendra Man Serchan, and DGND Bishnu Bahadur Karki. Past President and Coordinator of the event Rtn. Bipin Pokhrel delivered a heartfelt vote of thanks in the event.

This marathon not only showcased the spirit of sportsmanship but also served as a platform to enhance the public image of Rotary, emphasizing its commitment to community service and fostering goodwill among individuals.

Cyclothon 5.0

RC of Biratnagar Fusion
2nd March 2024

On 2nd March 2024, Rotary Club of Biratnagar Fusion celebrated the successful culmination of its annual fundraiser, Cyclothon 5.0. With the overarching themes of "Pedal for Education" and "Go Green," the event attracted a diverse array of participants from various regions of Nepal. Cyclothon 5.0 served as a platform for promoting two significant causes: education and environmental conservation.

The event was graced by Chief Guest Mr. Prem Prasad Bhattarai, Chief District Officer (CDO)

of Morang, underscoring the importance of community involvement in social causes, while Guests of Honor, including SP Morang Mr. Nawaraj Karki, PDG Rtn. Santosh Prasad Rijal, AZA Rt. Kiran Karn, and Mr. Shambhu Rathi, Regional Head-East of Laxmi Sunrise Bank, provided valuable support and encouragement to the participants.

The event

kicked off with registrations starting at 6:00 AM, followed by lively Zumba sessions and warm-up exercises to prepare participants for the upcoming cycling journey. The official inauguration of Cyclothon 5.0 occurred with guests flagging off the event, marking the beginning of the cycling race. Spanning across a 19 km scenic route, participants had the opportunity to admire the natural beauty of

Biratnagar. The Start and Finish venue, situated at Adarsha Secondary School, Biratnagar, served as the central point for the event's activities. Rotary Club of Biratnagar Fusion ensured prominent branding throughout the event, reflecting the Rotary image and mission. The program garnered extensive coverage from both print and online media outlets, amplifying its reach and impact. Cyclothon 5.0 garnered significant attention and participation, drawing over 250 enthusiastic individuals from diverse

Backgrounds

Rotary Club of Biratnagar Fusion's Cyclothon 5.0 stands as a testament to the power of collective action and community engagement in driving positive social change.

Self Education and Employment Program (SEEP)

RC of Dillibazar-Kathmandu
2nd March 2024

Rotary Club of Dillibazar-Kathmandu and Friends of Nepal- Adelaide Inc. in collaboration with Child Development Society (CDS) implementing Self Education and Employment Program (SEEP) for economically poor mothers and adolescent girls facing economic challenges and discrimination in the community. The program focuses on providing skills in economic empowerment and financial literacy for marginalized Women.

Notable achievements include heightened awareness, improved financial habits, and collective empowerment among the participants. The program has successfully fostered stronger unity, enhanced problem-solving skills, and increased resilience, showcasing positive impacts on both the participants and their families.

SEEP classes, conducted in Budhanilkantha-12, Kapan, Kathmandu, have engaged 41 women regularly. Major activities encompassed consultation meetings, orientation sessions, savings and business support, evaluations, and socio-social counseling. The program's impact is evident in the establishment of small businesses by 41 participants, marking economic independence and dignified living. Through entrepreneurship training, literacy promotion, and emotional well-being initiatives, SEEP has effectively broken the cycle of poverty, empowering women and fostering positive socio-economic change within the community. In the realm of sustainability, post-project completion, the saving groups have sustained their businesses, maintaining regular meetings at the CDS office.

Moreover, CDS has facilitated English-speaking classes for select members of the saving group, augmenting their skills and bolstering their enduring success. This supplementary endeavor solidifies the lasting positive impact and sustainability of the SEEP initiative.

Nurturing Mental Wellbeing

RC of Kathmandu Metro
7th March 2024

On March 7, 2024, the Rotary Club of Kathmandu Metro, in collaboration with the Rotaract Club of Metro City, organized a talk program on mental health titled "Nurturing Mental Wellbeing." Held at Shivapuri Secondary School, Maharajgunj, Kathmandu. The event aimed to raise awareness about mental health issues among adolescents and teenagers aged 16-18 years.

Dr. Dhruva Man Shrestha, a renowned expert in the field of mental health, led the session, delivering valuable insights into common mental health disorders and coping strategies tailored to the adolescent age group. Attendees actively participated in discussions and received informational materials designed to promote mental wellbeing.

The project, supported by a budget of Rs. 15,000.00, successfully achieved its objectives of reducing stigma and fostering a supportive environment for seeking help. Participants expressed gratitude for the informative and engaging session, emphasizing its importance in promoting mental health awareness among youth. The Rotary Club of Kathmandu Metro extends its thanks to Dr. Dhruva Man Shrestha and the Rotaract Club of Metro City for their invaluable support in organizing the event.

Rotary Club of Kathmandu Metro:
Service Above Self

Fundraising Theatre Performance

RC of Kathmandu Height
8th March 2024

The Rotary Club of Kathmandu Height on the occasion of International Women's Day conducted two housefull shows of "HAINA KI KYA HO" followed by reflections through playback theatre.

This was a fundraising show to support mental health and well being initiatives of the club. The play revolves around real experiences of women, which we tend to dismiss or doubt because of years of internalized patriarchy. The show showcased powerful dialogues and poetic means of communication.

The stories that followed in the playback session left everyone in awe of the resilient, brave and unwavering spirit of women that keep moving forward despite everything. The real stories of the viewers were shared and while the actors in different forms of arts portrayed the performances, poems, encounter approach, fluid approach and more. RCKH is so proud to have

the work done, and able to collaborate with amazing production work of Katha Ghera.

The two full house shows had the presence of different organizations working for mental wellbeing and women empowerment; adolescent students from schools, groups of teachers, students of colleges, rotaractors and Rotarians from different clubs, private organizations.

Both the shows ended with the photo sessions and some refreshments. The contribution from RC Kathmandu Height for the event was approximately Rs. 1,20,000.

Student Toilet Handover

RC of Tinau Butwal
9th March 2024

The Rotary Club of Tinau Butwal has handed over the student toilet constructed by the organization at Gyano Day Secondary School, Butwal-5. Recognizing the special need for smart and student-friendly toilets, and the increased problems faced by students due to the lack thereof, the construction of the toilet was done at a cost of four lakhs. During the program, Chief Guest Rotary District 3292 Governor Rotarian Rajendra Prasad Dhoju emphasized that even small social initiatives by all Rotarians could bring significant positive changes to society. He also urged all Rotarians to participate in such impactful social work.

Mr. Ram Bahadur Karki, Chairman of the School Management Committee, highlighted the budgetary constraints faced by Gyano Daya Secondary School for constructing toilets. Rotary Club of Tinau Butwal's initiative to construct and hand over a well-equipped student toilet was

praised. The Club's President, Ms. Amrita Bhushal, expressed commitment to support the school in various activities. Rotary District's 16th Conference Chair,

Mr. Ajaz Alam, and other members attended the toilet relocation program, held during the 345th regular club meeting.

Joyful Bonds: Rotary Fellowship Program

RC of Biratnagar Downtown
22nd March 2024

The Rotary Club of Biratnagar Downtown recently organized a vibrant fellowship program, joyously celebrating the festival of colors. Embracing the essence of Rotary, the event exemplified the importance of fellowship within the community. There was a gracious presence of our AG Rtn. Biju Bahini Shrestha.

Amidst the festivities, participants enjoyed a delightful array of delicious food, engaging in wonderful games that fostered camaraderie and laughter. Love and laughter filled the air, encapsulating the spirit of togetherness that Rotary cherishes dearly. This gathering epitomized the essence of Rotary's values, strengthening bonds and spreading joy in a memorable celebration.

Girls Toilet (Service Project) is on Progress

RC Kathmandu Downtown
22nd March 2024

The Rotary Club of Kathmandu Downtown has initiated a service project for the construction of a girls' toilet at Samundra Higher Secondary School in Gurje-6, Nuwakot. The building structure has been completed, and water sanitation, doors, windows, and tiling works have also been finished. The remaining finishing touches will be completed within a week, and the inauguration ceremony will be finalized soon. The total cost of the project is Rs. 6,50,000.00 (Six lakh fifty thousand rupees only), with the club sponsoring Rs. 2,50,000.00 towards its completion. The construction works are being handled by the RCC Club of Gurje, Nuwakot.

Orientation Program on Teaching at Right Level (TaRL) Global Grant

RC of Yala
22nd March 2024

Rotary club of Yala organized an Orientation Program on Teaching at Right Level (TaRL) on Friday 22nd March 2024.

The objectives of this Global Grant project is to support the foundational education level of the students of grades 3, 4 and 5 of community schools and upgrade their learning process by the application of fast track learning through TaRL approach. The project duration is 2 years.

13 schools of Lalitpur & Kavre district with 203 students will be selected for the project.

The direct beneficiaries of this project will be 28 community schools adapted by the Rotary club of Yala. 138 teachers will upgrade their skill through teaching at the right level training and mentoring support which will benefit Nearly 3600 students of grade 3, 4 and 5 of chosen schools. Other beneficiaries are the school management committee members and parents of the recipient students as well.

The participants (principals and the school committee members) received insights of the project in detail after a presentation presented by the members of the Rotary club of Yala and question /answer session afterwards. The total budget for this project is Rs. 95000.

Mental Health Support Project

RC of Patan South
Rota Year 2023/24

Inspired by Rotary International President Gordon McNally's emphasis on mental health and the World Health Organization's declaration of mental health as a universal human right, the Rotary Club of Patan South (RCPS) has launched a significant initiative aimed at supporting individuals facing mental health issues in their community. Led by Past President Binaya Bajra Bajracharya, RCPS, in collaboration with Alka Hospital and Hand of Grace, a mental health care home, is providing essential assistance to those in need.

Currently focusing on 11 mentally challenged individuals recommended by Hand of Grace, RCPS is offering meals (including Dal, Rice, cereals, etc.) to Hand of Grace, and ensuring access to medicine and psychiatric consultations on a regular basis for those in need. Treatment is facilitated through collaboration with Alka Hospital in Jawalakhel, Lalitpur. However, RCPS envisions expanding their reach beyond the initial 11 beneficiaries to serve a larger population in the near future.

After consultation with a neuropsychiatrist, it was determined that most of the patients suffer from severe mental disorders such as schizophrenia, bipolar disorder, depression, and anxiety. These patients require regular medication and some may need lifelong treatment. Hand of Grace, a mental health

care home, supports 4-5 severely affected patients who lack family support.

RCPS's primary focus is on ensuring patients receive proper medical attention and medication. To date, RCPS has sponsored over 30 consultations with the doctor, with each patient receiving 3-4 consultations over an 8-month period. The project's initial funding of NRs. 129,000 to Alka Hospital has been allocated towards doctor consultation fees and medication purchases, amounting to over 1 lakh as of March.

Recognizing the long-term nature of mental health recovery, RCPS aims to provide sustained support highlighting their commitment to promoting mental health.

The change within

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

By Gordon McNally
President, Rotary International

These are times that cry out for peace. The Middle East is in its most volatile condition in years. The war in Ukraine is the largest in Europe since World War II, and there are armed conflicts in Sudan and parts of Central Africa. Nearly every continent is experiencing a major armed conflict.

Rotary has a vital role to play in advancing the cause of peace — I often say Rotary needs to work toward peace as

aggressively as those who wish to wage war. It's the spirit found in our vision statement: "Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves."

We must never lose track of that last call — that to bring about change in the world, we need to foster change within.

It is up to us to model peacebuilding —behaviour among each other. We can do better than questioning the motives of one another and jumping to the harshest possible explanation. After hearing words that might strain or offend us, we have an opportunity

to ask, with compassion and curiosity, the intent of those offending words. And then we have another opportunity to repair the breach.

If we wish to be a beacon to the world, let us start by being so to one another. Let's help each other find greater understanding and productive alternatives to words that cause hurt and distrust. And let's stick to our principles, but never doubt the sincerity of each other to end conflicts, not inflame them.

I'm reminded of a speech that US –Senator Robert Kennedy made on April 4, 1968, that dreadful day when the Rev Martin Luther King Jr was assassinated. Kennedy was in –Indianapolis speaking to an audience in a predominantly African American neighbourhood where people had yet to learn that Dr King had been killed.

He shared the terrible news. He honoured Dr King for all he had done for the cause of justice and peace. And then he connected with the fuming, grieving crowd by saying: "For those of you who are Black and are tempted to be filled with hatred and distrust at the injustice of such an act, against all white people, I can only say that I feel in my own heart the same kind of feeling. I had a member of my family killed." It was the first time he had spoken publicly about –President John F Kennedy's assassination. And while many American cities exploded in –violence that night, Indianapolis did not. It is in times of crisis and despair that we need empathy most of all. Empathy is the most powerful tool of peace, and it is vital if we are to take the first brave, humble steps to Create Hope in the World. 🌍

ROTARACT ACTIVITIES

INAUGURATION OF 'PROJECT KALAM SAAGAR'

Rotaract Club of Palpa Lumbini
3rd February 2024

The Rotaract Club of Palpa Lumbini, with the support of the Rotary Club of Palpa Lumbini and Lumbini Medical College and Teaching Hospital, initiated a literature board entitled "Kalam Saagar." The name means "Ocean of Pen," reflecting the board's aim to provide a wide and deep platform for showcasing the talents of various writers and artists. The board publishes articles such as poems, stories, drawings, quotes, and more. Contributors include students, teachers, and staff from the college, as well as Rotaractors from other clubs of District 3292. We are in the process of establishing our international twin club and publishing their articles on our board as well. The board also has a section for "What's happening in Rotaract/Rotary" to highlight the community projects undertaken by the clubs. The board updates its content every month with new articles.

The board was inaugurated by District Governor Rajendra Prasad Dhoju and Rtn. Gopal Bahadur Pokhrel, Charter President of the Rotary Club of Palpa Lumbini and Chief Executive Chairperson of Lumbini Medical College and Teaching Hospital, in the presence of the members of the Rotaract Club of Palpa Lumbini and the Rotary Club of Palpa Lumbini on Saturday, February 3, 2024.

INTERACT ACTIVITIES

TUNES FOR TOMORROW

Interact Club of British Model College
16th March 2024

Tunes for Tomorrow was a fundraising event to collect funds to donate to the education of underprivileged students. The theme of the project was "Cultivating Education through Cultural Enrichment." This event had the gracious performance of melodious singer ,Satish Ghalan, along with many more surprising performances. There were multiple stalls and many more fun activities. The event was a great success, seeing registrations from around District 3292. It is noteworthy to mention that most of the registrations were made seeing that the event aimed at raising funds for a cause.

This event showcased the impact that the Interact Club of British Model College demonstrated regarding a willingness to support social service. Additionally, the authentic Nepalese cuisine added another charm as the delicious Sel Roti, Yomari, and other items were mouth watering while the audience was enjoying the performances of the performers, artists, and Samsarga Band. Overall, the event was filled with melody and celebration of Nepalese cultural diversity in music, dance, cuisine, and art.

TRAFFIC AWARENESS

Interact Club of Prativa Pokhara Fishtail
24th February 2024

Interact Club of Prativa Pokhara Fishtail successfully organized a Traffic Awareness event in collaboration with the Rotaract Club of Parbat Pokhara and Rotaract Club of Pokhara Fishtail. The event was held in the Hall of Prativa Secondary School's higher secondary block. The event aimed to raise awareness about traffic rules and

safety within the community. Chief Guest Bhim Bahadur Khatri shared invaluable insights into traffic rules, regulations, and accident prevention strategies. Entertainment was also provided through a traffic awareness quiz, with chocolate prizes for the winners. With esteemed guests including Chief Guest Bhim Bahadur Khatri from the Traffic Police and Special Guest Kiran Sapkota, Principal of Prativa Secondary School the event was successful and the attendees praised the event's informative content and the expertise of the guest speakers.

ROTARY NEWS / RISAO

Dear Fellow Rotarians,

What a remarkable month it has been! We came together to celebrate Rotary's spirit of fellowship, compassion, learning, and networking at the vibrant 16th District Conference in Butwal. I applaud the outstanding leadership of District Governor Rajendra Prasad Dhoju, Conference Chair Azaj Alam, and their dedicated team for orchestrating such a memorable event.

Dennis Shore
 Brilliant publication. Congratulations.

(RIPR) Dennis Shore and his spouse Lynda, who were visiting Nepal on the occasion of 16th District Conference. RIPR Dennis really appreciated the work and praised it to be the 'brilliant publication', that made us proud and satisfied towards all the hard works we have done so far.

I am deeply grateful for the overwhelming support we have received from Rotary clubs across the district. Your contributions, news submissions, and feedback have been invaluable in shaping the content of the GML and highlighting the impactful work of our district in communities near and far.

As we approach the new Rotary year, District Governor Elect Rajendra Man Sherchan and his team are gearing up for another year of service. With recent AGLS and DTLs sessions completed and the President Elects Training Seminar underway in Chitwan, let us seize this opportunity to elevate the Rotary mission to new heights.

I extend warm wishes to each of you for a joyous New Year, as we usher in 2081 together.

Yours in Rotary,
- Rtn. Raj Shrestha
 Chair 2023-24
 District Publication & GML Sub-Committee

I am humbled and so delighted to share the progress of how my District Publication Team is publishing GML every month, its content and coverage to one of the highest RI officials, Rotary International President Representative

What's up?

Send club news & activities, articles and your creativity to gml.district3292@gmail.com And, get it published.
