SCHOOL LAB ESTABLISHMENT COMPLETION AND INAUGURATION AT SHREE AAJAD SECONDARY SCHOOL

INTRODUCTION

Shree Aajad Secondary School, located in Jhaukhel-02 of Changunarayan Municipality, Bhaktapur, is a public educational institution established in 2018 B.S. The school provides education from Playgroup up to Grade 10 and adopts a Montessori-based teaching approach in the early years from Playgroup to Grade 2. It has introduced innovative teaching methods such as the "One Extra Hour for School" program, offering additional morning and evening sessions to enhance learning without charging extra fees or providing allowances to teachers. The medium of instruction is fully English up to Grade 6, while both English and Nepali are used from Grade 7 to 10. Over the years, the school has focused on quality education and holistic development of students, which is reflected in its excellent performance in municipal-level examinations, including outstanding results in the Grade 8 exams of the academic year 2081 B.S. With its continuous dedication, Shree Aajad Secondary School stands as one of the leading institutions in the locality, committed to academic excellence and student growth.

Shree Aajad Secondary School, Changunarayan-2, Jhaukhel, Bhaktapur recently established a modern computer lab to enhance digital learning and provide students with access to information technology. The lab was inaugurated in the presence of respected donors Mr. Mike for Newzeland and the Mayor Mr Jeevan Khatri of Changunarayan Muncipality, Bhaktapur, marking a significant milestone in the school's educational journey. After the program, teachers also received orientation on effective use of the lab, and students have already started utilizing it both as an e-library and for practical computer education. This initiative has created new opportunities for learning and skill development, benefiting the entire school community.

287 students and 25 teacher and staffs are benefitted from this computer lab.
